

# SEATER DIES - REDDING SEATER DIE 6MM CREEDMOOR

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 6MM CREEDMOOR

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 6MM CREEDMOOR. This product is designed for precision reloading of ammunition. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle ammunition and reloading equipment with care.
- Ensure you are in a wellventilated area when using reloading dies.
- Keep the product out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, when handling ammunition components.
- Be aware of your surroundings and ensure that the area is clear of any hazards when using this product.
- Regularly inspect your reloading equipment for signs of wear or damage.

## Specific Safety Precautions for Use

- Use only the specified cartridge (6mm Creedmoor) with this die.
- Ensure that the die is compatible with your reloading press before use.
- Do not exceed recommended load limits as specified in reloading manuals.
- Always doublecheck measurements and settings before starting the reloading process.
- Avoid distractions while reloading to maintain focus and precision.
- If you notice any irregularities during the reloading process, stop immediately and investigate the issue.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before starting.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Securely attach the Redding Seater Die to your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth as per your specifications.

### 3. Usage:

- Insert the bullet into the bullet guide of the die.
- Place the cartridge case in the press and ensure it is properly aligned.
- Slowly and steadily apply pressure to seat the bullet into the cartridge case.
- Inspect the completed cartridge for proper seating and crimping.

### 4. PostUsage:

- Clean the die after each use to remove any residue.
- Store the die in a safe and dry location away from direct sunlight.

## Disposal Instructions

- Dispose of any unused or damaged ammunition components in accordance with local regulations.
- Do not throw away the die in regular household waste. Instead, check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SEATER DIES REDDING SEATER DIE 6MM CREEDMOOR, please refer to the contact information available on the product packaging or the manufacturer's website.

Thank you for following these safety guidelines. Your adherence to these instructions helps ensure a safe and effective reloading experience.
