

# DELUXE 3-DIE SETS - REDDING 22 NOSLER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# DELUXE 3DIE SETS REDDING 22 NOSLER 3 DIE SET

## Safety Instruction Guide

### Introduction

Thank you for choosing the Redding Deluxe 3Die Set for 22 Nosler. This product is designed for reloading ammunition, ensuring high precision and quality. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

### General Safety Guidelines

- Always follow safety instructions when using reloading equipment.
- Ensure that you are familiar with the operation of each component of the die set before use.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Use protective eyewear when working with reloading equipment to protect against debris and accidents.
- Always work in a wellventilated area to avoid inhalation of any harmful substances.
- Regularly inspect equipment for wear or damage before use.

### Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use of the die set can lead to dangerous ammunition that may not function as intended.
- Sharp edges on the dies can cause cuts or injuries.
- The reloading process involves handling gunpowder, which is flammable and can be hazardous if not handled properly.

- **Instructions for Avoiding Hazards:**

- Always ensure the workspace is clean and free of any flammable materials when reloading.
- Use the dies only for their intended purpose and with compatible cartridges.
- Follow the manufacturer's guidelines for die adjustment and usage.
- Do not exceed recommended powder charges or use improper components in the reloading process.
- Store all reloading materials, including primers and gunpowder, in a safe and secure manner.

- **AgeSpecific Warnings:**

- This product is intended for adult use only.
- Individuals under the age of 18 should not operate this equipment without adult supervision.

### Instructions for Installation and Usage

- **Installation:**

1. Choose a suitable reloading press that is compatible with the Redding 3Die Set.
2. Secure the dies into the press following the manufacturer's instructions.
3. Adjust the dies according to the specifications provided in the die set manual for optimal performance.

- **Usage:**

- Always read the reloading manual for specific instructions related to the 22 Nosler cartridge.

- Use the full length sizing die first to size the brass case.
- Follow with the neck sizing die if required for precision fitting.
- Use the seating die to properly seat the projectile into the case.
- Inspect each round for proper assembly and quality before use.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular waste. Contact local authorities for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Deluxe 3Die Set, please refer to the manufacturer's contact information provided in the product packaging or manual.

## **Conclusion**

Following these safety guidelines will help ensure a safe and effective reloading experience with your Redding Deluxe 3Die Set. Always prioritize safety and adhere to all recommendations to enjoy the benefits of your reloading equipment responsibly.
