# FULL LENGTH SIZING DIES 22 NOSLER Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 22 NOSLER. This guide is designed to ensure your safe and effective use of this product. Please read the following safety instructions carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment and safety procedures.
- Always handle reloading dies and components with care to avoid accidents.
- Store the dies in a dry, safe place, out of reach of children.
- Regularly inspect the dies for any signs of wear or damage before use.
- Use the dies only for their intended purpose as specified in this guide.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using reloading dies.
- Ensure that the workspace is wellventilated to avoid inhalation of any dust or particles.
- Be cautious when handling primers and powder; follow all safety instructions provided with those products.
- Avoid using excessive force when resizing cartridges; this can lead to equipment failure or injury.
- Never leave reloading equipment unattended while in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted.
- Insert the FULL LENGTH SIZING DIE into the press according to the manufacturer's instructions.
- Adjust the die height as necessary to achieve the desired cartridge sizing.

### 2. Usage:

- Place an empty cartridge case into the shell holder of the press.
- Pull the handle of the press to raise the ram and engage the die with the case.
- Apply consistent pressure to resize the case fully.
- After sizing, remove the case and inspect it for any defects.

## Disposal Instructions

- Dispose of any damaged or wornout dies according to local regulations.
- Do not dispose of reloading materials or components in regular household waste.
- Contact local waste management authorities for proper disposal methods for hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH SIZING DIES 22 NOSLER, please refer to the manufacturer's customer support resources. It is important to have a point of contact for safety inquiries.

## Conclusion

By following these safety instructions, you can ensure a safer reloading experience with the FULL LENGTH SIZING DIES 22 NOSLER. Always prioritize safety and consult the relevant resources if you have any uncertainties regarding the use of this product. Thank you for your attention to these important safety guidelines.
