

# DELUXE 3-DIE SETS - REDDING 6.5-300 WEATHERBY MAGNUM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 6.5300 WEATHERBY MAGNUM 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 6.5300 WEATHERBY MAGNUM 3 DIE SET. This product is designed for precision reloading and is manufactured to meet high safety standards. It is important to read and understand these safety instructions to ensure safe and effective use.

## General Safety Guidelines

- Ensure that all users are familiar with the operation of reloading equipment.
- Always follow the manufacturer's instructions and guidelines.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the dies for any signs of wear or damage before use.
- Store the die set in a cool, dry place to prevent corrosion and damage.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that the reloading area is wellventilated and free from flammable materials.
- Do not exceed the recommended load specifications provided by the manufacturer.
- Be cautious when handling primers and powder; follow all safety guidelines for these materials.
- Always doublecheck that the correct die is used for the specific cartridge being reloaded.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Work Area:** Ensure that your reloading bench is clean and organized.
2. **Gather Tools:** Have all necessary tools on hand, including the die set, shell holder, hex wrench, and spare decapping pin.
3. **Install the Sizing Die:**
  - Screw the fulllength sizing die into your reloading press.
  - Adjust according to the manufacturer's instructions to ensure proper sizing of the cartridge.
4. **Install the Neck Sizing Die:**
  - Follow the same steps as above for the neck sizing die.
  - Ensure it is securely fastened and adjusted.
5. **Install the Seating Die:**
  - Attach the standard seating die to the reloading press.
  - Adjust it for proper bullet seating depth as per your specifications.

### Usage

- **Reloading Process:**
  - Start by resizing the brass using the fulllength sizing die.
  - After resizing, clean the brass to remove any debris.
  - Use the neck sizing die if necessary for precision fitting.
  - Proceed to seat the bullet using the seating die, ensuring it is seated to the correct depth.
- **PostReloading:**
  - Inspect each reloaded cartridge to ensure quality and safety.
  - Store reloaded ammunition in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not throw away cartridges or components in regular trash; check for local hazardous waste disposal options.
- Ensure that all materials used in the reloading process are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE 3DIE SETS REDDING 6.5300 WEATHERBY MAGNUM 3 DIE SET, please refer to the manufacturer's contact information provided on the packaging or included in the product documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 6.5300 WEATHERBY MAGNUM 3 DIE SET. Always prioritize safety and adhere to the guidelines for optimal performance and longevity of your equipment.
