

# 9MM STEYR BRASS - STARLINE 9MM STEYR BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The 9mm Steyr is an Austrian cartridge designed for use in the Steyr M1912 pistol and was chambered in some Steyr MP34 submachine guns. As with all Starline products, our 9mm Steyr brass is made to tighter tolerance than the CIP standard for this cartridge. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 9MM STEYR BRASS

## Introduction

Thank you for choosing the 9MM Steyr Brass from Starline. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the brass cartridges.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety practices.
- Always handle brass and firearms with care to prevent accidents.
- Store brass in a cool, dry place away from direct sunlight.
- Regularly inspect brass for signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Use only in compatible firearms:** Ensure that the 9MM Steyr brass is used only in firearms designed for this specific cartridge.
- **Avoid overloading:** Follow the recommended load data to prevent excessive pressure, which can lead to firearm malfunction or injury.
- **Wear protective gear:** Always wear safety glasses and hearing protection when using firearms.
- **Keep out of reach of children:** Store brass and firearms out of the reach of children and unauthorized users.
- **Inspect before use:** Check for any defects or irregularities in the brass before loading into a firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment for loading and using firearms.
- Gather all necessary equipment, including the 9MM Steyr brass, a reloading press, and appropriate tools.

### 2. Loading the Brass:

- Carefully insert the brass into the reloading press.
- Follow the specific loading instructions for the 9MM Steyr cartridge, ensuring that the correct amount of powder is used.
- Seat the bullet firmly in the brass casing.

### 3. Using the Brass:

- Load the completed cartridges into the firearm's magazine according to the manufacturer's instructions.
- Before firing, ensure the firearm is pointed in a safe direction and that the area is clear of obstructions and bystanders.
- Fire the firearm only when you are ready and in a safe environment.

### 4. PostUse:

- After use, clean the firearm according to the manufacturer's guidelines.

- Inspect the brass for any signs of damage or wear after firing.

## Disposal Instructions

- Dispose of used brass in accordance with local regulations.
- Do not dispose of brass in regular household waste.
- Consider recycling options for spent brass to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or further support, please refer to the appropriate contact points in your region. Ensure that you have the product information available when seeking assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your 9MM Steyr brass. Thank you for your attention to safety.
