

MASTER HUNTER DIE SETS - REDDING 6.5 PRC MASTER HUNTER CARBIDE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Master Hunter series combines Redding's proven Competition Seating Die with a full-length sizing die that lets the hunter load exceptionally consistent ammo to minimize risk of a stuck case or failure to feed that can hinder taking a follow up shot. Full-length sizing also enables use of any SAAMI-standard brand of case without having to resort to bushing sizer die. The result is precise bullet/case neck alignment and finely-tuned bullet seating that lets hunters achieve the utmost performance from their favorite loads.

MASTER HUNTER CARBIDE DIE SET Safety

Instruction Guide

Introduction

Thank you for choosing the MASTER HUNTER DIE SETS REDDING 6.5 PRC MASTER HUNTER CARBIDE DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set to minimize risks and enhance your reloading experience.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and handling of the die set.
- Ensure that the die set is used only for its intended purpose: reloading ammunition for the 6.5 PRC cartridge.
- Keep the die set out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling reloading components.
- Regularly inspect the die set for any signs of damage or wear before each use.
- Store the die set in a cool, dry place to prevent corrosion and deterioration.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp edges on the die set.
- Risk of incorrect ammunition loading leading to firearm malfunction.
- Risk of exposure to lead and other hazardous materials during the reloading process.

- **Avoiding Hazards:**

- Always handle the die set with care to avoid cuts or abrasions.
- Doublecheck all measurements and settings before proceeding with reloading.
- Ensure that your workspace is wellventilated to minimize exposure to fumes and dust.
- Do not exceed recommended load specifications to prevent firearm damage or personal injury.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are knowledgeable in firearms and reloading practices. It is not suitable for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is clean and free of debris.
- Securely mount the fulllength sizing die into the reloading press according to the manufacturer's instructions.
- Follow with the installation of the Competition Seating Die, ensuring it is properly aligned.

2. Usage:

- Begin by resizing the brass cases using the fulllength sizing die. This ensures compatibility with any SAAMI standard brand of case.
- After resizing, inspect each case for defects and ensure they meet safety requirements.
- Load powder into the cases according to the specific load data for the 6.5 PRC cartridge.
- Use the Competition Seating Die to seat the bullets to the desired depth, ensuring proper bullet/case neck alignment.
- Perform a final inspection of each completed round to ensure they meet quality standards before use.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Ensure that all lead and hazardous materials are disposed of properly to minimize environmental impact.
- Do not throw away the die set in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MASTER HUNTER DIE SETS REDDING 6.5 PRC MASTER HUNTER CARBIDE DIE SET, please consult the manufacturer or a qualified professional.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with your MASTER HUNTER DIE SET. Thank you for prioritizing safety in your reloading practices.
