

# DELUXE 3-DIE SETS - REDDING 6.5MM WEATHERBY RPM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 6.5MM WEATHERBY RPM 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 6.5MM WEATHERBY RPM 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the manufacturer's instructions before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and contact the manufacturer.
- Store the die set in a cool, dry place to prevent corrosion and damage.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the die set.
- Ensure that your workspace is clean and free from distractions.
- Use the die set only with compatible cartridges as specified by the manufacturer.
- Avoid using excessive force when operating the dies to prevent damage and ensure safety.
- Do not attempt to modify or alter the die set in any way.
- Follow all local laws and regulations regarding ammunition reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the die set carefully and inspect all components.
- Place the fulllength sizing die into the reloading press and secure it according to the manufacturer's instructions.
- Install the standard seating die and neck sizing die in the same manner.
- Ensure that all dies are tightened securely to prevent movement during use.

### 2. Usage:

- Prepare your workspace by laying out all necessary materials and tools.
- Follow the reloading process as outlined in the manufacturer's instructions, ensuring each step is completed correctly.
- Use the spare decapping pin and hex wrench provided in the die box as needed.
- After reloading, inspect each cartridge for proper fit and functionality before use.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the die set in regular trash if it is still functional; consider donating or recycling it if possible.
- Follow local guidelines for the disposal of metal products.

## **Contact Information for Further Support**

For further support regarding product safety, usage inquiries, or to report unsafe products, please contact the manufacturer directly. Ensure that you have your product details and any relevant information ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
