

SEATER DIES - REDDING 6.5 WHETHERBY RPM SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

Safety Instruction Guide for SEATER DIES REDDING 6.5 WHETHERBY RPM SEATING DIE

Introduction

Thank you for choosing the SEATER DIES REDDING 6.5 WHETHERBY RPM SEATING DIE. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual thoroughly before use to familiarize yourself with the safety precautions and proper handling of the die.

General Safety Guidelines

- Ensure safe use of the die by following these guidelines:
 - Always handle the die with care to prevent injury.
 - Store the die in a dry, secure place when not in use.
 - Keep the die out of reach of children and pets.
 - Regularly inspect the die for any signs of wear or damage before use.
 - Use the die only for its intended purpose as specified in this guide.
- In the event of an unsafe product or accident:
 - Report it to the appropriate authorities.
 - Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the die, please observe the following precautions:
 - Wear appropriate safety gear, including safety glasses and gloves.
 - Ensure that the work area is clean and free of obstructions.
 - Use the die only with compatible cartridges (6.5 Whetherby RPM).
 - Do not modify the die in any way, as this may lead to malfunction or injury.
 - Follow the manufacturer's instructions carefully to avoid accidents.
- Special considerations:
 - This product is not intended for use by children. Adult supervision is recommended when used in environments accessible to minors.

Instructions for Installation and Usage

- To install and use the SEATER DIES REDDING 6.5 WHETHERBY RPM SEATING DIE, follow these steps:

1. Installation:

- Ensure your reloading press is compatible with the die.
- Securely mount the die in the press according to the manufacturer's guidelines.
- Check that the bullet guide and seating plug are correctly positioned.

2. Usage:

- Begin by preparing your cartridges according to standard reloading practices.
 - Insert the cartridge case into the press and raise it to the die.
 - Adjust the die to achieve the desired bullet seating depth, using the builtin crimp ring as needed.
 - Carefully lower the press handle to seat the bullet.
 - Inspect the finished cartridge to ensure proper seating and crimping.
- Always refer to your reloading manual for specific load data and safety recommendations.

Disposal Instructions

- When disposing of the SEATER DIES REDDING 6.5 WHETHERBY RPM SEATING DIE, please adhere to the following guidelines:
 - Do not dispose of the die in regular household waste.
 - Contact your local waste management facility for proper disposal methods.
 - If the die is damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the SEATER DIES REDDING 6.5 WHETHERBY RPM SEATING DIE, please refer to the product packaging or contact the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful and enjoyable reloading experience.
