# Safety Instruction Guide for 6MM Dasher Brass Cartridges

## Introduction

Thank you for choosing the 6MM Dasher Brass cartridges. This guide provides essential safety instructions to ensure safe handling and usage of the product. It is important to read and understand these guidelines to minimize risks associated with the use of ammunition.

## General Safety Guidelines

- Ensure you are of legal age to purchase and use ammunition in your jurisdiction.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect cartridges for any signs of damage or defects before use.
- Follow all local regulations and laws regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for the 6MM Dasher cartridges.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Do not consume alcohol or drugs before or while handling firearms or ammunition.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear shooting area.
- Do not attempt to modify or reload cartridges; use only as intended.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Open the action of the firearm.
- Insert the 6MM Dasher cartridges into the magazine or chamber as per the manufacturer's instructions.
- Ensure the cartridges are seated properly and securely.

### 2. Firing the Ammunition:

- Ensure the firearm is pointed at the intended target.
- Check that the safety is in the "off" position.
- Take a stable shooting stance and align your sights with the target.
- Squeeze the trigger gently to fire the round.

### 3. PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Open the action and inspect the chamber to ensure it is clear of any obstructions.
- Eject and safely dispose of any spent casings.

## Disposal Instructions

- Dispose of spent cartridges and casings in accordance with local regulations.
- Do not litter or discard cartridges in public areas.
- If you have unused or damaged cartridges, contact local authorities or a licensed dealer for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 6MM Dasher Brass cartridges, please refer to the EUbased contact point provided by the manufacturer or retailer.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience while using the 6MM Dasher Brass cartridges. Thank you for your attention to these important guidelines.
