

# ELITE HUNTER 25 CALIBER (0.257") BULLETS - 25 CALIBER (0.257") 133GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The .25 Caliber, 133 Grain Elite Hunter offers a heavy-for-caliber bullet solution for .25 caliber hunting platforms that maximizes both energy and terminal performance. Elite Hunters utilize Berger's industry leading hybrid ogive design, that blends tangent and secant designs to optimize efficiency, reduce wind-drift, and minimize sensitivity to seating depth. Their sleek profile features an ultra-high ballistic coefficient (BC) and increased sectional density, delivering the highest energy upon impact. Elite Hunters are easy to load and shoot, and provide unmatched accuracy and performance. The new 25 Caliber, 133 Grain brings unmatched external performance to the 25 caliber realm that has been historically limited by lower weight projectiles. Paired with efficient and low recoil cartridges, this bullet produces ultra-flat trajectories, while delivering fantastic terminal performance and energy transfer upon impact.

## Attributes

- Name: [25 CALIBER \(0.257"\) 133GR HYBRID BOAT TAIL 100/BOX](#)

# Safety Instruction Guide for ELITE HUNTER 25 CALIBER (0.257") BULLETS

## Introduction

Thank you for choosing the ELITE HUNTER 25 CALIBER (0.257") BULLETS. This product is designed for use in .25 caliber hunting platforms, providing excellent performance and accuracy. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are of legal age and possess the necessary licenses to purchase and use ammunition in your jurisdiction.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Always handle ammunition with care, treating every bullet as if it is live.
- Do not use damaged or corroded bullets, as they may pose safety risks.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling and shooting ammunition.
- Ensure that your firearm is compatible with .25 caliber bullets before use.
- Confirm that the firearm is unloaded before loading bullets.
- Use only recommended powders and load data for your specific firearm to avoid overpressure situations.
- Do not exceed the maximum load specifications outlined in your firearms manual.
- Be aware of your surroundings and ensure a safe shooting environment, free from obstructions and bystanders.
- In case of a misfire, wait at least 30 seconds before attempting to clear the firearm.
- Avoid shooting in areas where it is prohibited or unsafe.

## Instructions for Installation and Usage

- Carefully read the firearm's manual for specific loading instructions.
- Load bullets into the magazine or chamber according to the manufacturer's instructions.
- Ensure that the bullet is seated properly and securely in the cartridge case.
- When ready to shoot, assume a proper shooting stance and ensure that your aim is directed at a safe target.
- After shooting, inspect the firearm and ammunition for any signs of damage or malfunction.
- Store any unused bullets in their original packaging and secure them in a safe location.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ELITE HUNTER 25 CALIBER (0.257") BULLETS, please consult the manufacturer's customer support or refer to your local regulations.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ELITE HUNTER 25 CALIBER (0.257") BULLETS. Always prioritize safety and responsibility when handling ammunition.
