Safety Instruction Guide for CHARGEMASTER LINK ELECTRONIC POWDER DISPENSER

Introduction

Thank you for choosing the RCBS ChargeMaster Link Electronic Powder Dispenser. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this document carefully before using the dispenser.

General Safety Guidelines

- Ensure that the product is used in accordance with all safety instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the dispenser for any purpose other than its intended use as a powder dispenser.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Ensure that the product is operated in a wellventilated area to prevent the accumulation of any harmful substances.
- Always follow local regulations regarding the handling and storage of powders.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Only use the product with the provided power supply or a compatible external battery pack.
 - Do not expose the product to water or moisture to prevent electrical shock or damage.
 - Ensure that the power supply is plugged into a properly grounded outlet.
- **Handling Powder:**
 - Always handle powders with care and follow the manufacturer's guidelines for safe handling.
 - Avoid inhaling powder dust. Use appropriate personal protective equipment such as masks if necessary.
 - Do not overfill the dispenser beyond its 2000 grain capacity to prevent spills and accidents.
- **Bluetooth Functionality:**
 - Ensure that the Bluetooth connection is secure and that the app is updated to the latest version to avoid connectivity issues.
 - Disable Bluetooth when not in use to conserve battery life and prevent unauthorized access.
- **User Maintenance:**
 - Regularly clean the sealed platen to keep powder out and maintain accuracy.
 - Follow the instructions for servicing and replacing the lifeshaft seals to ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Unpack the ChargeMaster Link and check for any visible damage.
- Place the dispenser on a stable, flat surface away from direct sunlight and moisture.
- Connect the power supply to the dispenser and plug it into an appropriate outlet.

2. Using the RCBS App:

- Download the RCBS app from your device's app store.
- Follow the onscreen instructions to connect your ChargeMaster Link to the app via Bluetooth.
- Adjust the settings as desired using the app interface.

3. Dispensing Powder:

- Ensure the dispenser is calibrated before use for optimal accuracy (0.1 grain).
- Select the desired grain amount on the app or directly on the dispenser.
- Place the dispense tub under the output spout.
- Press the dispense button to start the dispensing process.
- Monitor the dispensing process and ensure the dispense tub is correctly positioned to avoid spills.

4. PostUse:

- Turn off the dispenser and disconnect it from the power supply if not in use for an extended period.
- Clean the dispenser and store it in a safe, dry place.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- Remove batteries if applicable and dispose of them separately according to local battery disposal guidelines.

Contact Information for Further Support

For safety inquiries, product support, or to report unsafe products, please refer to the official RCBS website or contact your local distributor. Always keep this manual for future reference.

By following these guidelines, you can ensure the safe and effective use of your RCBS ChargeMaster Link Electronic Powder Dispenser. Thank you for prioritizing safety!
