# Safety Instruction Guide for EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700

## Introduction

Thank you for choosing the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. This product is designed to enhance your reloading experience. However, it is essential to understand the safety guidelines and instructions to ensure safe and effective use. This guide provides important information about product safety, installation, usage, and disposal.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using the reloading press.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product in any way, as this may compromise safety.
- Store the product in a dry and secure location when not in use.
- In case of any malfunction or if you suspect the product is unsafe, stop using it immediately and seek assistance.

## Specific Safety Precautions for Use

- Read all instructions and warnings before using the EZ Prime "V".
- Ensure that the reloading area is wellventilated and free from flammable materials.
- Use only compatible components and materials as specified by the manufacturer.
- Do not exceed the recommended load limits stated in the product specifications.
- Always follow safe reloading practices to prevent accidents.
- Do not leave the product unattended while in use.
- Keep hands and body clear of moving parts during operation to avoid injury.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the EZ Prime "V" from its packaging and check for any missing parts.
- Follow the manufacturer's instructions for mounting the product securely to your reloading press.
- Ensure that all screws and fittings are tightened properly before use.
- Connect the necessary components as per the installation guide provided.

### 2. Usage:

- Before starting, ensure that the work area is clean and organized.
- Set up your reloading press according to the manufacturer's instructions.
- Load the EZ Prime "V" with the appropriate primers as per the specifications.
- Operate the press smoothly and steadily, avoiding sudden movements.
- After completing your reloading session, clean the product to maintain its performance.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste. Instead, take it to a designated waste disposal facility.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the EZ Prime "V", please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety instructions.
