Safety Instruction Guide for EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700

Introduction

Thank you for choosing the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. This product is designed to enhance your reloading experience. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Inspect the product regularly for any signs of wear or damage before use.
- Do not attempt to modify or alter the product in any way.
- Store the product in a cool, dry place when not in use.
- In case of any accidents or injuries, seek medical assistance immediately.

Specific Safety Precautions for Use

- Ensure that the work area is wellventilated and free from clutter.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Follow all manufacturer instructions regarding the use of reloading materials.
- Do not use the product if you are under the influence of drugs or alcohol.
- Always keep your hands and body clear of moving parts during operation.
- If you notice any unusual noises or malfunctions during use, stop immediately and assess the situation.

Instructions for Installation and Usage

1. Installation:

- Unpack the EZ Prime "V" and ensure all components are included.
- Refer to the assembly diagram (if provided) for guidance.
- Securely attach the EZ Prime "V" to the MEC 600 Jr. Mark V or MEC 700 press as per the manufacturer's instructions.

2. Usage:

- Before reloading, ensure that the press is securely mounted and stable.
- Load the appropriate primer into the EZ Prime "V" as per the instructions.
- Operate the press smoothly and steadily, avoiding sudden movements.
- After reloading, clean the area and the product to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer used, consider recycling options where available.

Contact Information for Further Support

For any inquiries or safety concerns regarding the EZ Prime "V", please refer to the manufacturer's contact

information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. Always prioritize safety and consult the guidelines whenever necessary. Thank you for your attention to these important safety measures.
