# Safety Instruction Guide for EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700

## Introduction

Thank you for choosing the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. This product is designed to enhance your reloading experience. However, it is essential to use this product safely and correctly. This guide provides important safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the workspace is clean, dry, and wellventilated.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage.
- In case of malfunction or damage, discontinue use immediately and contact the manufacturer.
- Report any unsafe product incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the product.
- Do not use the product if you are under the influence of drugs or alcohol.
- Ensure that all components are securely attached before use.
- Avoid overloading the product beyond its specified capacity.
- Do not modify the product in any way, as this may compromise safety.
- Always follow the reloading instructions specific to the ammunition you are using.

## Instructions for Installation and Usage

### 1. Installation

- Place the EZ Prime "V" on a stable and flat surface.
- Ensure that the press is securely mounted to prevent movement during operation.
- Connect any necessary components according to the manufacturer's instructions.

### 2. Usage

- Load the appropriate primer into the EZ Prime "V" according to the instructions.
- Align the shell casing with the primer seating mechanism.
- Apply steady pressure to operate the press, ensuring the primer is seated correctly.
- After use, clean the product to remove any residue and maintain optimal performance.

## Disposal Instructions

- Dispose of the product and any associated materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or disposal facility.
- Ensure that all hazardous materials, such as primers and powders, are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700, please refer to the manufacturer's website or contact the customer support team.

By following these safety instructions, you can ensure a safe and effective reloading experience with your EZ Prime "V". Thank you for your attention to safety!
