Safety Instruction Guide for SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR

Introduction

Thank you for choosing the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR by MEC RELOADING. This product is designed for your competition needs and is intended for safe and effective use in reloading applications. It is important to read and understand this safety instruction guide to ensure the safe use of the product.

General Safety Guidelines

- Always read the product manual before use.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR only for its intended purpose.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that the workspace is wellventilated to avoid inhalation of any dust or particles.
- Do not overload the charge bar beyond its specified capacity of 11/8 oz.
- Keep all tools and equipment organized to prevent accidents.
- Avoid distractions while using the product to maintain focus on the task.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is securely mounted on a stable surface.
- Follow the manufacturer's instructions for attaching the charge bar to the press.
- Check that all connections are tight and secure before use.

2. Usage:

- Measure the desired amount of lead shot according to the specifications (11/8 oz).
- Load the shot into the charge bar carefully to avoid spills.
- Operate the press smoothly and steadily to ensure consistent performance.
- After use, clean the charge bar to prevent buildup of materials.

Disposal Instructions

- Dispose of any waste materials in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling options available in your area for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR. Your adherence to these guidelines will help ensure a safe reloading experience.
