# Safety Instruction Guide for SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR

## Introduction

Thank you for choosing the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR by MEC RELOADING. This product is specifically designed to meet your competition needs in reloading. Please read this safety instruction guide carefully to ensure safe usage and compliance with safety regulations.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling lead shot.
- Ensure proper ventilation in the working area to minimize exposure to lead dust.
- Avoid eating, drinking, or smoking while handling lead shot to prevent ingestion.
- Do not exceed the recommended load specifications as indicated by the manufacturer.
- Store lead shot and reloading components in a secure, cool, and dry place.
- Dispose of lead waste according to local regulations to prevent environmental contamination.

## Instructions for Installation and Usage

### 1. Installation:

- Read the product manual thoroughly before installation.
- Ensure that the reloading press is securely mounted on a stable work surface.
- Attach the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR according to the instructions provided in the manual.

### 2. Usage:

- Verify that all components are clean and free of obstructions before starting the reloading process.
- Set the charge bar to the desired weight (1/2 oz) by following the adjustment instructions in the manual.
- Carefully load the lead shot into the charge bar, ensuring no spillage occurs.
- Operate the reloading press smoothly and steadily to prevent accidents.
- After use, clean the equipment thoroughly to remove any residual lead.

## Disposal Instructions

- Dispose of any unused lead shot and reloading components in accordance with local hazardous waste disposal regulations.
- Do not dispose of lead materials in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of lead and other hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety of this product or to report issues, please consult the manufacturer's customer support resources. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety while using the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
