# Safety Instruction Guide for SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR

## Introduction

Thank you for choosing the SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR by MEC RELOADING. This product is designed to meet the needs of competition shooters while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use this product safely and effectively.

## General Safety Guidelines

- Always read and understand the manufacturer's instructions before using the product.
- Ensure that the workspace is clean, dry, and free from distractions while using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose as specified by the manufacturer.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include lead exposure and mechanical injuries.
- **Avoiding Hazards:**
  - Minimize lead exposure by working in a wellventilated area.
  - Wash hands thoroughly after handling lead products.
  - Use tools and equipment correctly to avoid mechanical injuries.
  - Do not overload the charge bar beyond its specified capacity (1 oz).
- **AgeSpecific Warnings:**
  - This product is intended for use by adults only. Do not allow minors to use this product without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is securely mounted on a stable surface.
- Follow the manufacturer's instructions for attaching the charge bar to the reloading press.
- Confirm that all connections are tight and secure before use.

### 2. Usage:

- Measure the desired amount of lead shot (up to 1 oz) using the charge bar.
- Ensure that the press is in the correct position before starting the reloading process.
- Operate the reloading press according to the manufacturer's instructions.
- Monitor the reloading process closely to prevent spills or accidents.

### 3. PostUse:

- Clean the charge bar and surrounding area after use to prevent lead contamination.
- Store the charge bar in a safe, dry place away from children and pets.

## **Disposal Instructions**

- Dispose of any lead shot and materials in accordance with local regulations regarding hazardous waste.
- Do not dispose of lead products in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided separately.

By following these guidelines, you can ensure a safe and effective reloading experience with your SINGLE STAGE PRESS LEAD SKEET SPECIAL CHARGE BAR. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety instructions.
