

# RIFLE CASE HOLDERS - L.E. WILSON 300 AAC BLACKOUT CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 300 AAC Blackout Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 300 AAC Blackout Case Holder. This product is designed to provide optimal support and accuracy when trimming and preparing your rifle cases. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the case holder in accordance with the manufacturer's instructions.
- Ensure that the case holder is compatible with the type of cases you are using (Fired, New, Neck or Full Length sized).
- Regularly inspect the case holder for any signs of damage or wear before each use.
- Keep the case holder out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the case holder if it appears damaged or defective.
- Ensure that the case is securely held in place before performing any trimming or reaming operations.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against debris during use.
- Avoid using excessive force when trimming or reaming to prevent injury or damage to the case holder.
- Store the case holder in a dry and safe place when not in use.

## Instructions for Installation and Usage

### 1. Compatibility Check:

- Verify that the case holder is suitable for your specific case type (Fired, New, Neck or Full Length sized).

### 2. Securing the Case:

- Insert the case into the holder, ensuring it is fully seated and secure.
- Check that the case holder supports the body of the case properly.

### 3. Trimming and Reaming:

- Follow the manufacturer's instructions for your specific trimmer.
- Position the trimmer according to the guidelines, ensuring a stable setup.
- Begin trimming or reaming, applying steady pressure without forcing the tool.

### 4. PostUse Inspection:

- After use, inspect the case holder for any signs of wear or damage.
- Clean the case holder as needed to maintain its functionality.

## Disposal Instructions

- Dispose of the case holder in accordance with local regulations regarding nonhazardous materials.

- If the case holder is damaged beyond use, consider recycling materials where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the product packaging or the official website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
