

# RIFLE CLEANING RODS - BORE TECH 17 CALIBER 40" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

# Safety Instruction Guide for Bore Tech 17 Caliber 40" Cleaning Rod

## Introduction

Thank you for choosing the Bore Tech Proof Positive Bore Stix for your rifle cleaning needs. This guide provides essential safety instructions and guidelines to ensure the safe use of the cleaning rod. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose: cleaning rifle barrels.
- Always handle the cleaning rod with care to avoid injury.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Always inspect the cleaning rod for any signs of damage before use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines to ensure safe operation.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when cleaning firearms.
- Avoid using excessive force when inserting or removing the cleaning rod to prevent damage to the barrel or the rod itself.
- Do not use the cleaning rod with any cleaning solvents or chemicals that are not recommended by the manufacturer.
- Store the cleaning rod in a dry place to prevent rust and corrosion.
- Do not leave the cleaning rod unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, cleaning patches, and any recommended cleaning solvents.

### 2. Using the Cleaning Rod:

- Attach the appropriate Proof Positive Jag to the cleaning rod.
- Insert the cleaning rod into the barrel from the chamber end, ensuring it follows the barrel rifling.
- Use a gentle backandforth motion to clean the barrel, avoiding excessive force.
- After cleaning, remove the cleaning rod and jag from the barrel carefully.

### 3. PostCleaning:

- Inspect the cleaning rod for any signs of wear or damage after use.
- Clean the cleaning rod with a soft cloth and store it in a protective case or holder.

## Disposal Instructions

- Dispose of the cleaning rod responsibly, in accordance with local regulations.
- If the cleaning rod is damaged beyond repair, ensure that it is disposed of in a way that prevents harm to

the environment or individuals.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety instructions or use of the Bore Tech Proof Positive Bore Stix, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Enjoy safe and effective cleaning of your rifle with the Bore Tech cleaning rod.
