

# RIFLE CLEANING RODS - BORE TECH 20 CALIBER 40" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

Bore Tech Proof-Positive Bore Stix, 20 Cal 40 inch

# Safety Instruction Guide for Bore Tech 20 Caliber 40" Cleaning Rod

## Introduction

Thank you for choosing the Bore Tech 20 Caliber 40" Cleaning Rod. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read and follow these instructions carefully to prevent accidents and injuries.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is to clean firearm bores.
- Keep the cleaning rod out of reach of children and pets to prevent accidents.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Inspect the cleaning rod before each use for any signs of damage or wear. Do not use if damaged.
- Store the cleaning rod in a safe and dry location when not in use.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses when cleaning firearms to protect your eyes from debris.
- **Cleaning Solutions:** Use only approved cleaning solutions that are safe for use with firearms. Avoid using harsh chemicals that may damage the cleaning rod or firearm.
- **Environment:** Clean firearms in a well-ventilated area to avoid inhaling fumes from cleaning solutions.
- **Rod Handling:** Always insert and remove the cleaning rod gently to prevent damage to the bore or the rod itself. Do not force the rod through the bore.
- **Caliber Compatibility:** Ensure that you are using the cleaning rod that is appropriate for the caliber of your firearm. This cleaning rod is specifically designed for 20 caliber firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, cleaning patches, and approved cleaning solutions.

### 2. Using the Cleaning Rod:

- Attach the appropriate cleaning patch to the end of the cleaning rod.
- Apply a small amount of cleaning solution to the patch.
- Insert the cleaning rod into the bore from the chamber end, pushing it through gently until it exits the muzzle.
- Repeat the process as necessary, using clean patches and solution until the bore is clean.
- After cleaning, use a dry patch to remove any excess cleaning solution from the bore.

### 3. PostCleaning:

- Inspect the cleaning rod for any signs of wear or damage after use.
- Clean the cleaning rod with a soft cloth to remove any residue.
- Store the cleaning rod in its designated storage location.

## **Disposal Instructions**

- Dispose of any used cleaning patches and solutions according to local regulations for hazardous waste.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Check local regulations for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the contact information provided with your product packaging or on the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your Bore Tech 20 Caliber 40" Cleaning Rod. Always prioritize safety and proper handling practices when working with firearms and cleaning equipment.
