

REM® OIL WITH MOISTUREGUARD™ - REM OIL WITH MOISTUREGUARD 6OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Specially formulated to prevent rust and protect your valuable firearms in the harshest hunting and shooting environments. MoistureGuard's Volatile Corrosion Inhibitor (VCI) technology actively penetrates into the smallest crevices to leave an invisible, long-lasting film that blocks moisture and prevents surface rust. Still provides the same superior lubrication you expect from original Rem Oil for proper weapon function and smooth operation. Pump-spray works great for treating large areas and is ideal for your firearm after a hard day in the field or at the range.

Cannot ship outside Continental U.S. Shipped UPS or FedEx Ground only within U.S.

Safety Instruction Guide for REM® OIL WITH MOISTUREGUARD™

Introduction

Thank you for choosing REM® OIL WITH MOISTUREGUARD™. This product is specially formulated to prevent rust and protect your valuable firearms in harsh hunting and shooting environments. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the label and product information before use.
- Store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets.
- Avoid contact with eyes and skin. If contact occurs, wash thoroughly with soap and water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use only in wellventilated areas to minimize inhalation risks.
- Dispose of any unused product according to local regulations.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before applying the oil.
- Do not apply the oil near open flames or heat sources.
- Use protective gloves when handling the product to avoid skin irritation.
- If using the pumpspray, avoid spraying directly onto the face or body.
- Be cautious of slippery surfaces when applying the oil.
- Do not mix with other chemicals or products unless specified.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and in a safe condition.
- Shake the bottle gently before use to ensure proper mixing.

2. Application

- Hold the pumpspray approximately 6 to 8 inches away from the surface.
- Spray a light, even coating on the metal surfaces of the firearm.
- Allow the oil to penetrate into the crevices and dry, forming a protective film.

3. PostApplication Care

- Wipe off any excess oil with a clean, dry cloth.
- Store the firearm in a safe, dry place after application.

4. Frequency of Use

- Apply after each use, especially in humid or wet conditions.
- Regular maintenance is recommended to keep firearms in optimal condition.

Disposal Instructions

- Dispose of empty or unused product containers in accordance with local waste management regulations.
- Do not pour down drains or dispose of in household waste unless permitted by local laws.
- Check for any specific disposal requirements in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of REM® OIL WITH MOISTUREGUARD™, please refer to the product packaging for the relevant contact details.

This safety instruction guide aims to provide clear and concise information for the safe use of REM® OIL WITH MOISTUREGUARD™. By following these guidelines, you can ensure a safe experience while maintaining your valuable firearms. Please stay informed about safety updates and product recalls through the EU's Safety Gate platform. Thank you for your attention to safety.
