

AR-15/M16 MATCH BARREL/BOLT SET - SHILEN AR-15/M16 20" 223 WYLDE BARREL/BOLT SET SS NO THREADS

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Custom-Fitted For Match-Grade Performance

Stainless steel barrel is precision machined to match-grade tolerances and custom-fit to its own bolt to give your rifle the exceptional accuracy of a custom-shop barrel in a drop-in package. Each barrel is assigned a bolt before any machining begins, then chambered to the correct headspace for that bolt. Button rifled for superior land-to-groove dimensions required for match-rifle accuracy, with a recessed 90° target crown, and gas block shank machined to .001" tolerances for precise fit. Comes with M4-style barrel extension installed; extension has pre-cut feed ramp to help ensure reliable chambering of rounds. Available chambered in .204 Ruger with 24" heavy varmint/target barrel or .223 Wylde with 20" service-rifle contour barrel. Wylde chamber delivers enhanced accuracy and reliability with the widest variety of .223 or 5.56 NATO ammunition.

Attributes

Safety Instruction Guide for AR15/M16 MATCH BARREL/BOLT SET

Introduction

Thank you for choosing the AR15/M16 MATCH BARREL/BOLT SET by SHILEN. This product is designed to enhance the performance of your rifle, offering exceptional accuracy and reliability. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their operation.
- Always handle firearms with care and follow all applicable laws and regulations regarding firearm usage.
- Store the barrel and bolt set in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel and bolt for signs of wear or damage. If any issues are detected, discontinue use immediately and consult a qualified gunsmith.
- Be aware of the specific risks associated with the use of firearms and take all necessary precautions.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing the barrel/bolt set.
- Do not attempt to modify the barrel or bolt set in any way, as this may compromise safety and performance.
- Use only compatible ammunition as specified for the .223 Wylde chamber to prevent malfunctions.
- Keep the muzzle pointed in a safe direction at all times during handling and use.
- Avoid using the barrel/bolt set in adverse weather conditions that may affect performance or safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing barrel from the rifle according to the manufacturer's instructions.
- Align the new SHILEN barrel with the receiver and carefully insert it.
- Secure the barrel using the appropriate tools and follow the torque specifications provided by the manufacturer.
- Install the bolt into the barrel, ensuring it is properly seated and locked in place.

2. Usage:

- Load the rifle with compatible ammunition.
- Check the chamber for obstructions before firing.
- Fire the rifle in a safe environment, following all local laws and regulations.
- After use, clean and maintain the barrel and bolt set according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged products in accordance with local regulations.
- Do not dispose of the barrel or bolt set in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the AR15/M16 MATCH BARREL/BOLT SET, please refer to the manufacturer's contact information provided with your product. Always ensure that you are following the most current safety guidelines and regulations.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your AR15/M16 MATCH BARREL/BOLT SET.
