

# **SELECT MATCH REMINGTON VARMINT(SEDERO) COUNTOUR - SHILEN 30 CALIBER SENDERO CONTOUR 1-10" TWIST STAINLESS**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Blanks](#)

## **Delivers Accuracy To Satisfy The Most Demanding Competition Shooter**

Shilen's Select Match Grade Varmint barrel for the Remington 700 is a masterpiece of machining and accuracy. This 28" stainless steel barrel has a Remington Varmint contour (a.k.a. a "Sendero,") and will fit Remington factory or aftermarket stocks with little-to-no barrel channel modification. Hand chosen for its potential to provide the ultimate in accuracy, each Shilen Select Match Grade Varmint barrel is air gauge inspected to ensure groove diameters vary no more than .0003" from specs and bore uniformity varies no more than .0001" from end-to-end. Muzzle is cut at 90° to the bore and ready for crowning. Stress-relieved stainless steel for strength and durability. Button rifled Bore polished to a gleaming finish. Not threaded or chambered. Whether for a custom rifle or restoring one that has been "shot-out," the Shilen Select Match Grade Varmint barrel delivers the level of accuracy and performance found only in the very best match-quality barrels.

# Safety Instruction Guide for Shilen Select Match Grade Varmint Barrel

## Introduction

Thank you for choosing the Shilen Select Match Grade Varmint Barrel for your Remington 700. This barrel is designed for precision and accuracy. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that the barrel is installed by a qualified gunsmith or knowledgeable individual.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage.
- Use only appropriate ammunition specified for this barrel to avoid potential hazards.
- Store the barrel in a safe and secure location when not in use.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation can lead to firearm malfunction.
- Use of incorrect ammunition may result in dangerous conditions.
- Failure to maintain the barrel can affect performance and safety.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before installation or maintenance.
- Do not modify the barrel or firearm in ways not recommended by the manufacturer.
- Use proper safety gear, including eye and ear protection, when testing or using the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing barrel from the Remington 700 according to the manufacturer's instructions.
- Align the Shilen Select Match Grade Varmint Barrel with the action of the firearm.
- Securely attach the barrel, ensuring it is properly torqued to manufacturer specifications.
- Check for proper alignment and fit before proceeding.

### 2. Usage:

- Load the firearm only with the specified 30 caliber ammunition.
- Always check the barrel for obstructions before firing.
- Maintain a safe distance from others while shooting.
- Follow all standard shooting range rules and regulations.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

## Disposal Instructions

- Dispose of the barrel in accordance with local laws and regulations regarding firearm components.
- Contact local waste management authorities for guidance on safe disposal methods.
- Do not dispose of the barrel in regular household waste.

## Contact Information for Further Support

For more information regarding safety, installation, and usage of the Shilen Select Match Grade Varmint Barrel, please refer to the manufacturer's website or contact their support team.

By following these guidelines, you can ensure a safe and enjoyable experience with your Shilen Select Match Grade Varmint Barrel. Always prioritize safety and responsible firearm handling.
