

# REMINGTON 700 BARREL - SHILEN 30-06 SPRINGFIELD 1-10" TWIST #5.5 CHROME MOLY BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

## Short-Chambered; Pre-Threaded To Fit Remington 700 Actions

The fastest, most convenient method available to any gunsmith for rebarreling and accurizing the fine Remington 700 action. Now you can provide your customers with the increased accuracy and superior performance that only a custom, match-quality barrel can deliver without time-consuming and costly lathe work. Brownells match-grade barrels are pre-threaded and short-chambered for ease of installation. Plus, the bolt body counterbore is fully cut. Groove tolerances are uniform to within .0003" end-to-end and air-gauged to ensure conformity. After installation, use a hand-turned finish reamer to deepen chamber until correct head space is reached, (correct Reamer and Headspace Gauges required). Made to our specifications by Shilen.

# REMINGTON 700 BARREL SHILEN 3006 SPRINGFIELD 110" TWIST #5.5 CHROME MOLY BARREL Safety Instruction Guide

## Introduction

Thank you for choosing the REMINGTON 700 BARREL SHILEN 3006 SPRINGFIELD 110" TWIST #5.5 CHROME MOLY BARREL. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your new barrel. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure that you are familiar with all local laws and regulations regarding firearm modifications and usage.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your barrel and firearm for any signs of wear or damage.
- If you encounter any issues during installation or usage, seek professional assistance.

## Specific Safety Precautions for Use

- Inspect the barrel for any visible defects before installation.
- Ensure that the barrel is compatible with your Remington 700 action.
- Use only the appropriate ammunition specified for the barrel (3006 Springfield).
- Always check the headspace after installation using the correct reamer and headspace gauges.
- Do not exceed the recommended load specifications for the ammunition used with this barrel.
- Avoid using the firearm in wet or humid conditions to prevent corrosion.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and equipment, including a handturned finish reamer and headspace gauges.
- Ensure you have a clean, welllit workspace to perform the installation.

### 2. Installation Steps

- Remove the existing barrel from the Remington 700 action using appropriate tools.
- Clean the action and ensure that there are no obstructions.
- Align the new Shilen barrel with the action and thread it into place.
- Use the handturned finish reamer to deepen the chamber until the correct headspace is reached.
- Check the alignment and fit of the barrel before securing it fully.

### 3. PostInstallation Checks

- After installation, doublecheck all components to ensure they are secure.
- Perform a function check of the firearm to ensure proper operation.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the barrel becomes damaged beyond repair, consult local regulations for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMINGTON 700 BARREL SHILEN 3006 SPRINGFIELD 110" TWIST #5.5 CHROME MOLY BARREL, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

Your safety is our priority. By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your new barrel. Always prioritize safety and seek professional assistance when needed. Thank you for your purchase.
