

# SPRINGFIELD M14 ENHANCED STOCK CHASSIS - SAGE INTL

## SPRINGFIELD M14 ENHANCED STOCK CHASSIS ALUMINUM BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The M14ALCS Enhanced Battle Rifle Chassis Stock System is precision CNC machined from a solid billet of high strength aircraft grade aluminum. Fits Mil-Spec M1A/M14 rifles with standard or medium weight barrels. The M14ALCS is a drop-in chassis and features a six position telescoping stock and an adjustable polymer cheek rest with two inches of vertical adjustment.

Additionally the chassis includes five Mil-Spec 1913 Picatinny rails, three ambidextrous sling mounts, a removable Kydex forend with a built in palm swell, and a soft one inch recoil pad. Rigidity of the chassis increases accuracy and reliability and is achieved through the use of a patented replacement operating rod guide block. Precision machined receiver lug recesses also eliminate the need for additional bedding. Fitting SAGE EBR chassis to non Mil-Spec/Commercial rifles may require additional gunsmithing. Does NOT accept rear-lugged receivers.

### Attributes

- Name: [SAGE INTL SPRINGFIELD M14 ENHANCED STOCK CHASSIS ALUMINUM BLK](#)
- Manufacturer: [SAGE INTL](#)
- Product no.: 819000001
- Mfr. No.: M14ALCS
- Color: Black
- Make: Springfield
- Material: Aluminum
- Model: M14,M1A
- Style: Chassis
- Delivery weight: 2.676kg

### Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for SPRINGFIELD M14 ENHANCED STOCK CHASSIS

## Introduction

Thank you for choosing the SPRINGFIELD M14 ENHANCED STOCK CHASSIS by SAGE INTL. This guide provides essential safety instructions and information to ensure the safe use and handling of your product. Please read and follow these guidelines carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the chassis and firearm with care to prevent accidents.
- Keep the chassis and firearm out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not modify or attempt to alter the chassis in any way that may compromise safety.
- Always follow local laws and regulations regarding the use of firearms and firearm accessories.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that younger users are supervised by a qualified adult.
- **Firearm Compatibility:** The chassis is designed to fit MilSpec M1A/M14 rifles. Ensure compatibility before installation.
- **Installation:** Improper installation can lead to malfunctions. Follow the installation instructions carefully.
- **Sling Mounts:** Use only compatible slings with the ambidextrous sling mounts to avoid accidents.
- **Recoil Pad:** Ensure the recoil pad is securely attached to prevent it from detaching during use.
- **Operating Rod Guide Block:** Do not attempt to remove or modify the patented replacement operating rod guide block.
- **Bedding:** If fitting to non MilSpec/Commercial rifles, consult a qualified gunsmith to avoid safety issues.

## Instructions for Installation and Usage

1. **Preparation:** Ensure you have all necessary tools and components before beginning the installation.
2. **Installation Steps:**
  - Remove the existing stock from the firearm.
  - Align the chassis with the receiver of the firearm.
  - Securely attach the chassis using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
  - Adjust the telescoping stock and cheek rest to your preference.
3. **Usage:**
  - Verify that the firearm is unloaded before handling.
  - Always point the firearm in a safe direction when installing or adjusting the chassis.
  - Test the functionality of the chassis by cycling the action of the firearm before live fire.
  - Regularly check for secure attachment and proper function during use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis, ensure it is done in a manner that complies with local laws regarding firearm accessories.
- Recycle materials whenever possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the SPRINGFIELD M14 ENHANCED STOCK CHASSIS, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SPRINGFIELD M14 ENHANCED STOCK CHASSIS. Thank you for your attention to safety.
