## AR-15 MODERN SERIES 16 MID-LENGTH BARREL GOV'T

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

### A Barrel Length & Contour To Give Every Shooter The Advantage!

Ballistic Advantage AR-15 barrels come in a great variety of chamberings, lengths, and contours, so you are certain to find the exact barrel you need for any type of rifle you are building or upgrading. These barrels are precision machined from extra-strong 4150 chrome-moly-vanadium steel alloy and have a nickel-boron coated barrel extension with M4 feed ramps to help ensure reliable feeding and extraction. The Government, M4, and SPR, and DMR profiles are all well-known among AR-15 aficionados. All barrels are chambered in 5.56 NATO, so they accept both military-type 5.56x45mm and civilian .223 Remington ammo. The DRP (Distinct Rigid Profile) is a stocky profile designed for short pistol / SBR barrels. On their longer AR-15 barrels, the Ballistic Advantage folks eliminated sharp shoulders and smoothed the tapers to symmetrically limit barrel "whip" caused by vibrations and flexing during prolonged shooting. This also controls barrel harmonics, so the barrel returns quickly to its "home" position after each shot - highly beneficial for follow up shots at a high rate of fire or even full-auto fire. Variety of lengths & contours to choose from Tough black QPQ finish All NFA rules apply to sub-16" length barrels The AR-15 platform - in rifle, pistol, carbine, or SBR form - is capable of extremely good accuracy. To enjoy that full potential on your next AR build, you deserve an Advantage.

### Attributes

- Name: [BALLISTIC ADVANTAGE AR-15 MODERN SERIES 16 MID-LENGTH BARREL GOV'T](#)
- Manufacturer: [BALLISTIC ADVANTAGE](#)
- Product no.: 915000018

# Safety Instruction Guide for AR15 Modern Series Barrels 5.56mm

## Introduction

Thank you for choosing the Ballistic Advantage AR15 Modern Series Barrels. This guide provides essential safety information to ensure the safe use and handling of your new barrel. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the specific requirements for using AR15 barrels.
- Always treat every firearm as if it is loaded.
- Store your barrel and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage before use.
- Follow all local, state, and national laws regarding firearm ownership and use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use ammunition that is compatible with your barrel. The Ballistic Advantage AR15 barrel is chambered for 5.56 NATO and accepts both militarytype 5.56x45mm and civilian .223 Remington ammo.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that your firearm is properly assembled and that the barrel is securely attached before use.
- Avoid using the barrel for any purpose other than its intended use as specified in this guide.
- Do not exceed the recommended rate of fire to prevent overheating and potential barrel damage.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver according to the manufacturer's instructions.
- Clean the barrel extension and upper receiver to remove any debris or old lubricant.
- Align the new Ballistic Advantage AR15 barrel with the upper receiver and ensure it fits snugly.
- Secure the barrel using the appropriate torque specifications as provided by the manufacturer.
- Reassemble the firearm according to the manufacturer's instructions.

### 2. Usage:

- Load the firearm with compatible ammunition only.
- Check the chamber to ensure it is clear before loading.
- Aim the firearm in a safe direction and engage the safety mechanism.
- When ready to fire, disengage the safety and proceed with shooting.
- After use, clean the barrel and firearm according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not attempt to repair or modify the barrel yourself.
- Ensure that all components are disposed of safely to prevent unauthorized use.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Ballistic Advantage AR15 Modern Series Barrel, please refer to the manufacturer's website or contact your local dealer. Always prioritize safety and compliance with local laws when handling firearms.

Thank you for choosing Ballistic Advantage. Enjoy your shooting experience responsibly!
