

MAXIMA QUICK DETACH RINGS - 1" EXTRA HIGH (0.65") QD RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Strong, All-Steel With Adjustable Levers; Fit Weaver-Style Bases

Maxima Quick Detach Rings are the most durable and versatile quick detachable mounting system available. Each ring is precision CNC machined from sintered steel technology, a process that allows intricate steel parts to be formed and then fired - retaining the strength properties of steel while adding the necessary ductility that scope mounts require for perfect grip contact around the circumference of the scope. The Maxima QD rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place. When used on the all steel Warne Maxima bases, we guarantee accuracy of within 1/1000th of an inch when removing and reattaching the optics. Unique to the industry, the Maxima QD has a square stainless steel recoil control key. This ensures a positive recoil engagement surface across the full width and depth of the recoil slot in the base. The recoil control key guarantees the position of the rings will not shift or move under fierce recoil and also protects against peening or swaging when mounted on aluminum bases. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails. Finally, the Maxima QD rings are finished with either a durable DuPont powder coat in matte or gloss black, or electroless nickel finished for a stainless steel look. Warne Maxima rings are then assembled with 4 quality Torx style T-15 socket cap screws.

Attributes

- Name: [1" EXTRA HIGH \(0.65"\) QD RINGS BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000004
- Mfr. No.: 203LM
- Finish: Matte Blue
- Height: .650"
- Scope Tube Diameter: 1"
- Size: Extra High
- Style: Weaver-Style Rings
- Delivery weight: 0.227kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 147mm
- UPC: 656813000746

MAXIMA QUICK DETACH RINGS 1" EXTRA HIGH (0.65") QD RINGS BLACK Safety Instructions

Introduction

Thank you for choosing the Maxima Quick Detach Rings. These rings are designed for durability and versatility in mounting optics securely to your firearm. Please read and follow these safety instructions carefully to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Maxima Quick Detach Rings by following all instructions carefully. This product is designed for nonfood use and is applicable for new technologies and online purchases.
- **Enhanced Recalls:** Stay informed about potential recalls. In the event of a recall, you will be provided with standardized notices and free remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of vulnerable groups.
- **EU Contact Point:** For safety inquiries, refer to the relevant EU contact point associated with this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products via the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the rings for any signs of damage, wear, or defects. Do not use if any issues are found.
- **Proper Fit:** Ensure the rings are compatible with your scope and rifle. Incorrect fit may lead to malfunction or accidents.
- **Torque Specifications:** Use the recommended torque specifications when tightening screws. Overtightening can damage the rings or the scope.
- **Recoil Management:** Be aware that the recoil control key is designed to prevent shifting. However, check the rings after heavy use to ensure they remain secure.
- **Avoid Modifications:** Do not modify or alter the rings in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx T15 screwdriver.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Align the Maxima Quick Detach Rings with the base on your firearm.
- Insert the screws into the rings and handtighten them initially.
- Use the Torx T15 screwdriver to tighten the screws to the manufacturer's specifications. Ensure they are securely fastened but do not overtighten.

3. Mounting the Scope:

- Place your scope into the rings, ensuring it is centered and level.
- Tighten the rings around the scope using the same Torx T15 screwdriver, following the recommended torque specifications.

4. **Lever Adjustment:**

- Once installed, adjust the indexable lever to your preferred position by pulling it out, turning to the desired location, and allowing it to snap into place.

5. **Final Check:**

- After installation, check that the scope is secure in the rings and that all screws are tightened properly.
- Perform a test by removing and reattaching the scope to ensure zero is maintained.

Disposal Instructions

- **Environmental Considerations:** Dispose of the Maxima Quick Detach Rings and any packaging materials in accordance with local regulations.
- **Recycling:** If applicable, recycle materials where possible. Check with local waste management for appropriate recycling facilities.

Contact Information for Further Support

For any questions or concerns regarding the Maxima Quick Detach Rings, please refer to the contact details provided by the retailer or manufacturer at the time of purchase.

By following these safety instructions, you can ensure the safe and effective use of your Maxima Quick Detach Rings. Thank you for your attention to safety and for choosing our product.
