

MAXIMA QUICK DETACH RINGS - 30MM EXTRA HIGH (0.65") QD RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Strong, All-Steel With Adjustable Levers; Fit Weaver-Style Bases

Maxima Quick Detach Rings are the most durable and versatile quick detachable mounting system available. Each ring is precision CNC machined from sintered steel technology, a process that allows intricate steel parts to be formed and then fired – retaining the strength properties of steel while adding the necessary ductility that scope mounts require for perfect grip contact around the circumference of the scope. The Maxima QD rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place. When used on the all steel Warne Maxima bases, we guarantee accuracy of within 1/1000th of an inch when removing and reattaching the optics. Unique to the industry, the Maxima QD has a square stainless steel recoil control key. This ensures a positive recoil engagement surface across the full width and depth of the recoil slot in the base. The recoil control key guarantees the position of the rings will not shift or move under fierce recoil and also protects against peening or swaging when mounted on aluminum bases. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails. Finally, the Maxima QD rings are finished with either a durable DuPont powder coat in matte or gloss black, or electroless nickel finished for a stainless steel look. Warne Maxima rings are then assembled with 4 quality Torx style T-15 socket cap screws.

Attributes

- Name: [30MM EXTRA HIGH \(0.65"\) QD RINGS BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000009
- Mfr. No.: 216LM
- Finish: Matte Blue
- Height: .650"
- Scope Tube Diameter: 30mm
- Size: Extra High
- Style: Weaver-Style Rings
- Delivery weight: 0.249kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 142mm
- UPC: 656813000845

MAXIMA QUICK DETACH RINGS 30MM EXTRA HIGH (0.65") QD RINGS BLACK Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMA QUICK DETACH RINGS 30MM EXTRA HIGH (0.65") QD RINGS BLACK. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - Always inspect the rings for any damage or wear before installation.
 - Use the rings only with compatible scopes and bases to avoid accidents.
 - Keep the product out of reach of children and vulnerable individuals.
 - Do not use the product for any purpose other than its intended use.
 - Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the MAXIMA QUICK DETACH RINGS, please observe the following precautions:
 - Ensure that the rings are securely tightened before use to prevent any movement during recoil.
 - Avoid overtightening the screws as this may damage the rings or the scope.
 - Do not modify the rings or use them in a manner not specified by the manufacturer.
 - Regularly check the condition of the rings and the mounting system, especially after heavy use.
 - Be aware that improper installation may lead to loss of zero and could potentially cause injury or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools, including a Torx T15 wrench.
- Align the rings with the Warne bases or compatible Weaverstyle bases.
- Insert the provided screws into the rings and tighten them securely, but do not overtighten.
- Adjust the lever to your preferred position and ensure it snaps into place.

2. Usage:

- To detach the scope, pull out on the lever and turn it to release it from the base.
- When reattaching, align the rings with the base and press down until the lever snaps back into place.
- Regularly verify that the rings maintain their position and do not shift during use.

Disposal Instructions

- When the product reaches the end of its life cycle, dispose of it responsibly:
 - Check local regulations for proper disposal methods for metal and coated materials.
 - Do not dispose of the product in regular household waste.
 - Consider recycling the materials where appropriate.

Contact Information for Further Support

- For any questions or concerns regarding the MAXIMA QUICK DETACH RINGS, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. Enjoy your MAXIMA QUICK DETACH RINGS responsibly and safely!
