[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Ruger® Model Specific fit Sold in pairs, Maxima Ruger® rings are packaged in model specific configurations to fit Ruger®'s proprietary dovetail Warne's Maxima rings are a solid steel, vertically split ring that handle even the most punishing recoil, or large, heavy scopes. Since each firearm manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. Because of this, the Warne Ruger® Rings are able to fit right onto the receiver's dovetail with no need for a mounting base. The Ruger® Fixed Rings are available the tapered receiver style like the Ruger® M77, Hawkeye & Super Redhawk. The Ruger® M77 style rings are packaged as two different heights to accommodate the tapered mounting surface on this firearm. Ruger® Fixed Rings utilize 4 T-15 Torx style socket cap screws for secure and permanent optics mounting. Permanently attaches to firearms's dovetail. Ruger® specific scalloped recoil control key for positive engagement of ring to receiver dovetail. Rings securely mount around scope using 4 Torx style T-15 socket cap screws.

# **Safety Instruction Guide for RUGER M77, M77 MARK II, HAWKEYE, SUPER REDHAWK RINGS 30MM WARNE MFG. COMPANY**

## **Introduction**

Thank you for choosing the RUGER M77, M77 MARK II, HAWKEYE, SUPER REDHAWK RINGS 30MM by Warne Manufacturing Company. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your optics. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always handle firearms and accessories with care and responsibility.
- Ensure that the rings are compatible with your specific firearm model.
- Regularly inspect the rings for any signs of wear or damage before use.
- Store the product in a safe and dry place, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended scope weight limits for the rings to avoid failure.
- Ensure that the rings are securely mounted before each use to prevent scope movement.
- Avoid using the rings with scopes that exceed the specified diameter.
- Be cautious when tightening screws; overtightening may damage the rings or the firearm.
- Always wear appropriate eye protection when using firearms equipped with optics.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

### **2. Installation**

- Align the rings with the dovetail mount on the receiver of your firearm.
- Place the rings onto the dovetail, ensuring they fit snugly without gaps.
- Secure the rings by tightening the four T15 Torx socket cap screws evenly.
- Do not overtighten; ensure the rings are firmly in place without excessive force.

### **3. Scope Mounting**

- Carefully position the scope within the rings.
- Adjust the scope to achieve the desired eye relief and reticle alignment.
- Tighten the screws on the rings to secure the scope in place, ensuring it is level and stable.

### **4. Final Check**

- After installation, check that the rings and scope are securely attached.
- Perform a function check to ensure everything operates smoothly before use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is damaged beyond repair, dispose of it responsibly as per local waste management guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact details provided with the product packaging or visit the manufacturer's website.

By following these guidelines, you will help ensure a safe and effective experience with your RUGER M77, M77 MARK II, HAWKEYE, SUPER REDHAWK RINGS 30MM. Thank you for prioritizing safety and responsibility in your shooting activities.
