

MAXIMA TIKKA RINGS - 1" HIGH MATTE BLACK TIKKA RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Tikka rifles have a grooved receiver that allows for a dovetail ring to mount directly to it, negating the need for a base. Warne's Maxima Tikka rings are a solid steel, vertically split ring that handle even the most punishing recoil, or large, heavy scopes. The Tikka Quick Detach rings utilize 4 T-15 Torx style socket cap screws for secure and permanent optics mounting and also feature a redesigned recoil pin to provide a stronger bearing surface for higher recoiling rifles. Attaches to firearm's dovetail. Return to Zero Guaranteed, quickly detach and reattach the Maxima QD rings with no loss of zero. Tikka specific recoil pin for positive engagement of ring to receiver dovetail. Rings securely mount around scope using 4 Torx style T-15 socket cap screws.

Attributes

- Name: [1" HIGH MATTE BLACK TIKKA RINGS](#)
- Manufacturer: [WARNE MFG. COMPANY](#)

MAXIMA TIKKA RINGS 1" HIGH MATTE BLACK

Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMA TIKKA RINGS 1" HIGH MATTE BLACK. These scope rings are designed for Tikka rifles, providing a secure and reliable mounting solution for your optics. This guide outlines important safety information, installation instructions, and usage guidelines to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure the product is suitable for your specific firearm model and scope.
- Inspect the rings for any signs of damage before installation and use.
- Make sure to use the rings in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Tikka rings are properly secured to prevent any movement during use, which could affect accuracy.
- Avoid overtightening the screws, as this may damage the rings or the scope.
- Regularly check the tightness of the screws after use, especially after heavy recoil or extended shooting sessions.
- Do not modify the product in any way, as this could compromise safety and performance.
- Use caution when detaching and reattaching the rings to avoid injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation of the Rings

- Locate the dovetail on your Tikka rifle's receiver.
- Align the Maxima Tikka rings with the dovetail.
- Slide the rings into position, ensuring they are seated properly.
- Using the T15 Torx screwdriver, securely tighten the four socket cap screws on each ring.
- Do not overtighten; refer to the manufacturer's torque specifications if available.

3. Mounting the Scope

- Place your scope into the rings.
- Adjust the position of the scope for optimal eye relief and alignment.
- Tighten the ring screws securely around the scope, ensuring it is held firmly in place.

4. Return to Zero

- After detaching and reattaching the rings, confirm that the scope returns to zero.

- Perform a test fire to ensure accuracy before relying on the setup for serious use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any safety inquiries or additional support, please consult the manufacturer's website or contact your local retailer.

By following these guidelines, you can ensure the safe and effective use of the MAXIMA TIKKA RINGS 1" HIGH MATTE BLACK. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
