[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Quickly Removable QD

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail.

Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including Ruger #1, Ruger 77, Mini 14 & 30, and Ruger Blackhawk and Redhawk. The Maxima QD rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place.

## Attributes

- Name: [WARNE MFG. COMPANY QD GRL RUGER M77 & HAWKEYE RINGS 1 INCH MED MATTE](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000056

# Safety Instruction Guide for MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS

## Introduction

Thank you for choosing the MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS by Warne Mfg. Company. These scope rings are designed to securely mount optics on rifles with integrated receiver mounting rails. This guide provides essential safety instructions and usage information to ensure that you use this product safely and effectively.

## General Safety Guidelines

- Ensure that the product is suitable for your specific rifle model before use.
- Always inspect the scope rings for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation instructions carefully to avoid accidents.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Regularly check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the rings only for their intended purpose: mounting scopes on compatible rifles.
- Do not exceed the manufacturer's recommended specifications for mounting.
- Ensure that the rings are securely tightened before use to prevent scope movement.
- Avoid using the product in extreme weather conditions that may affect performance.
- Do not attempt to modify the product in any way as this may compromise safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench.
- Ensure you are working in a welllit and clean environment.

### 2. Installation Steps

- Locate the integrated mounting rail on your rifle.
- Align the rings with the mounting rail, ensuring they are properly positioned.
- Secure the rings onto the rail using the provided hardware.
- Tighten the screws to the manufacturer's recommended torque specifications.
- Use the unique Warne indexable lever system to adjust the lever to your desired position.

### 3. Usage

- After installation, carefully attach your scope to the rings.
- Ensure that the scope is level and properly aligned before tightening.
- Once secure, test the stability of the setup by gently shaking the rifle.

### 4. PostInstallation Check

- After installation, check that the rings and scope are securely mounted.
- Perform a function test by aiming and adjusting the scope to ensure zero is maintained.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer usable, follow local guidelines for disposal of metal components.
- Do not dispose of the product in household waste. Instead, seek out a recycling facility that accepts metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and following these guidelines for a successful and secure experience with your scope rings.
