

MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS - WARNE MFG. COMPANY QD GRL RUGER M77 & HAWKEYE RINGS 30MM MEDIUM MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Quickly Removable QD

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail. Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including Ruger #1, Ruger 77, Mini 14 & 30, and Ruger Blackhawk and Redhawk. The Maxima QD rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place.

Attributes

- Name: [WARNE MFG. COMPANY QD GRL RUGER M77 & HAWKEYE RINGS 30MM MEDIUM MATTE](#)
- Manufacturer: [WARNE MFG. COMPANY](#)

MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Maxima Grooved Receiver Line Quick Detach Ruger Rings from Warne Mfg. Company. These scope rings are designed to provide a secure and reliable mounting solution for your rifle. This safety instruction guide is intended to ensure your safe use of the product and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is suitable for your specific rifle model before installation.
- Always check the condition of the rings and mounting rail before use.
- Use the product only for its intended purpose, which is to mount scopes on rifles with an integrated receiver mounting rail.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rings for any signs of wear or damage.
- If you notice any defects or unusual wear, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Always ensure that the scope is securely mounted and that the rings are tightened properly before use.
- Avoid overtightening the rings, as this may lead to damage of the scope or the rings themselves.
- When detaching the scope, follow the instructions carefully to avoid losing zero alignment.
- Be cautious when handling the product, as sharp edges may be present.
- Do not modify the rings or attempt to alter their design or function.
- Store the product in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a torque wrench if available.
- Ensure the rifle is unloaded and pointed in a safe direction.

2. Installation

- Align the rings with the integrated mounting rail on your rifle.
- Place the scope in the rings and adjust it to your desired position.
- Tighten the rings using the appropriate tool, ensuring they are secure but not overtightened.
- Check that the scope is level and properly aligned with the rifle.

3. Using the Quick Detach Feature

- To detach the scope, pull out on the lever and turn it to the desired location.
- Once in position, allow the lever to snap back into place.
- To reattach the scope, repeat the process, ensuring that it is securely mounted.

4. Post Installation Check

- After installation, check the zero alignment of your scope before taking your rifle to the range.
- Ensure all components are functioning properly before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal components.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Maxima Grooved Receiver Line Quick Detach Ruger Rings.
