

# MAXIMA FIXED RINGS - 34MM MEDIUM (1.044") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

## Attributes

- Name: [34MM MEDIUM \(1.044"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000260
- Mfr. No.: 221M
- Finish: Matte Blue
- Height: .375"
- Scope Tube Diameter: 34mm
- Size: Medium
- Style: Weaver-Style Rings
- Delivery weight: 0.204kg
- Shipping height: 25mm
- Shipping width: 114mm
- Shipping length: 157mm
- UPC: 656813102327

# MAXIMA FIXED RINGS 34MM MEDIUM Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA FIXED RINGS 34MM MEDIUM. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your scope rings. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used for its intended purpose as specified in the product description.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions to prevent accidents and injuries.
- In case of any accidents or unsafe product performance, report it to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the scope rings are securely mounted to prevent any movement during use.
- Use the appropriate tools (T15 Torx style socket cap screws) for installation to avoid stripping screws.
- Do not exceed the recommended torque settings when tightening the screws.
- When using on softer materials, be cautious of potential swaging or peening of the base.
- Regularly check the tightness of the screws and the integrity of the rings after heavy use or recoil.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a T15 Torx wrench.
- Ensure the mounting surface is clean and free of debris.

### 2. Installation Steps

- Position the MAXIMA FIXED RINGS on the scope base, ensuring they align with the cross slots.
- Insert the four T15 Torx screws into each ring.
- Tighten the screws gradually in a crisscross pattern to ensure even pressure. Do not overtighten.
- Verify that the scope is securely held in place without any movement.

### 3. Usage Guidelines

- Once installed, check the alignment of the scope before use.
- Always handle the firearm safely and according to standard safety practices.
- Monitor the scope rings for any signs of wear or loosening during regular use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAXIMA FIXED RINGS 34MM MEDIUM, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your MAXIMA FIXED RINGS 34MM MEDIUM!
