

MAXIMA FIXED RINGS - 34MM HIGH (1.194") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

Attributes

- Name: [34MM HIGH \(1.194"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000261
- Mfr. No.: 222M
- Finish: Matte Blue
- Height: .525"
- Scope Tube Diameter: 34mm
- Size: High
- Style: Weaver-Style Rings
- Delivery weight: 0.227kg
- Shipping height: 23mm
- Shipping width: 112mm
- Shipping length: 157mm
- UPC: 656813102334

Safety Instruction Guide for MAXIMA FIXED RINGS 34MM HIGH

Introduction

Thank you for choosing the MAXIMA FIXED RINGS 34MM HIGH. This product is designed to provide a secure and reliable mounting solution for your optics. To ensure your safety and the proper use of this product, please read and follow the instructions and guidelines provided in this manual.

General Safety Guidelines

To ensure safe usage of the MAXIMA FIXED RINGS, please adhere to the following safety guidelines:

- Always inspect the rings before installation for any visible damage or defects.
- Ensure that the rings are compatible with your scope and base.
- Use the product only for its intended purpose as specified by the manufacturer.
- Keep the rings out of reach of children and pets to prevent accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the MAXIMA FIXED RINGS, please consider the following precautions:

- **Hazard Awareness:** Be aware of the potential hazards associated with improper installation, which can lead to equipment failure or injury.
- **Secure Mounting:** Always use the provided T15 Torx screws for secure mounting. Do not substitute screws or use damaged screws.
- **Recoil Management:** Ensure that the recoil control key is properly installed to manage recoil effectively.
- **Material Compatibility:** Avoid using the rings on bases made of softer materials that may not withstand the forces of recoil.
- **Regular Maintenance:** Periodically check the tightness of the screws and the condition of the rings to ensure continued safety and performance.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the MAXIMA FIXED RINGS:

1. Preparation:

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure that your scope and base are clean and free from debris.

2. Installation:

- Place the MAXIMA FIXED RINGS onto the Weaver style cross slot base.
- Align the rings so that the recoil control key fits securely into the slot.
- Insert the T15 Torx screws into the designated holes of the rings.
- Tighten the screws evenly to ensure a secure fit, but do not overtighten to avoid damaging the rings or the base.

3. Scope Mounting:

- Carefully place your scope into the rings.
- Adjust the scope to your desired position and ensure it is level.

- Tighten the screws on the rings to secure the scope in place.

4. Final Check:

- After installation, doublecheck all screws for tightness.
- Ensure that the scope is firmly held in place and that there is no movement.

Disposal Instructions

When disposing of the MAXIMA FIXED RINGS, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the rings in regular household waste.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries or concerns regarding the MAXIMA FIXED RINGS, please reach out to the appropriate customer service channels provided by the manufacturer.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your experience with the MAXIMA FIXED RINGS 34MM HIGH!
