WARNE Tactical 45° Side Mount Safety Instructions

Introduction

Thank you for choosing the WARNE Tactical 45° Side Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the side mount for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only on compatible Picatinny style rails to prevent failure during use.
- Ensure that the mount is securely fastened before attaching any optics.
- Avoid using the mount with excessive force or impact.
- Do not modify the product in any way, as this may compromise safety.
- If you experience any difficulties during installation or use, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench (if required).
- Ensure the installation area is clean and well-lit.

2. Installation Steps

- Align the WARNE Tactical 45° Side Mount with the desired position on the Picatinny rail.
- Slide the mount into the rail slot until it is securely in place.
- Tighten the mounting screws to the manufacturer's recommended torque specifications, ensuring that the mount is stable.

3. Usage Instructions

- Once installed, carefully attach your red dot or reflex backup sight to the mount.
- Double-check that all screws are tightened and the sight is secure.
- Test the setup by performing a function check to ensure proper alignment and stability.

4. PostInstallation Check

- After installation, periodically check the tightness of all screws and the stability of the mount.
- If any movement or looseness is detected, retighten screws immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If you are unsure how to dispose of the product, consult your local waste management authority.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact the retailer where you purchased the product. Ensure you have your product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy using your WARNE Tactical 45° Side Mount safely and effectively!
