

# UNIVERSAL SCOPE LEVEL - WARNE MFG. COMPANY UNIVERSAL SCOPE LEVEL 30MM

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

Accurate adjustments made at extreme distances require that riflescopes and platforms be exactly level before taking a shot, and the Warne Mfg. Universal Scope level is an easy add-on for any precision shooter that enables them to verify the vertical alignment of their optic and rifle. The level clamps onto the main-body tube of the scope, and levels are available for the following tube sizes: 1-inch, 30mm, 34mm and 35mm. Each level features a matte-black finish.

# Universal Scope Level Safety Instruction Guide

## Introduction

Thank you for choosing the Warne Mfg. Company Universal Scope Level. This product is designed to help precision shooters ensure that their riflescopes are level, enhancing accuracy and safety during shooting. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that your rifle and scope are handled safely and responsibly.
- Use the Universal Scope Level only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the level for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and contact support for further assistance.

## Specific Safety Precautions for Use

- Ensure that the level is securely attached to the mainbody tube of the scope before taking any shots.
- Do not attempt to modify or alter the level in any way.
- Avoid using the level in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Always follow local laws and regulations regarding firearm use and shooting practices.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mainbody tube of your riflescope.
- Select the appropriate size of the Universal Scope Level (1inch, 30mm, 34mm, or 35mm).
- Open the clamp of the level and position it around the mainbody tube.
- Securely tighten the clamp to ensure that the level is firmly attached.

### 2. Usage:

- With the level attached, look through your riflescope and adjust it until the bubble is centered in the level.
- Confirm that your rifle is positioned on a stable and level surface.
- Once the level is centered, you can proceed with your shooting activities, ensuring that you maintain proper safety protocols.

## Disposal Instructions

- Dispose of the Universal Scope Level responsibly and in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any questions regarding the use of the Universal Scope Level or to report safety concerns, please contact the manufacturer directly.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using

the Universal Scope Level for your shooting activities.
