

BROWNING X-BOLT SHORT ACTION MOUNTAIN TECH TACTICAL RAIL - WARNE MFG. COMPANY BROWNING X-BOLT SHORT ACTION TACTICAL RAIL 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Don't leave your next hunt to chance. Ensure you have the best possible equipment on your rifle to make the perfect shot when it counts, and one critical component of making the perfect shot is ensuring that your optics are solidly mounted to your Browning X-Bolt short-action rifle. For these rifle owners, the Warne Mountain Tech Tactical Rail is the perfect solution, since it's machined from lightweight, yet durable, 7075-T6 aluminum. The Picatinny-style base features a matte-black finish that wards off corrosion and wear while eliminating glare.

BROWNING XBOLT SHORT ACTION MOUNTAIN TECH TACTICAL RAIL Safety Instruction Guide

Introduction

Thank you for choosing the Browning XBolt Short Action Mountain Tech Tactical Rail manufactured by Warne Mfg. Company. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your optics. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is suitable for your specific Browning XBolt shortaction rifle model.
- Always inspect the tactical rail for any signs of damage or wear before installation.
- Keep the tactical rail and all related components out of reach of children and unauthorized users.
- Use the tactical rail only for its intended purpose as described in this guide.
- Regularly check for proper mounting and tightness to prevent accidents during use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Avoid using the tactical rail in extreme temperatures or harsh environmental conditions that may compromise its integrity.
- Do not exceed the manufacturer's weight limit for optics mounted on the rail.
- Ensure that all mounting screws are tightened according to the manufacturer's specifications to avoid loosening during use.
- Always use appropriate protective gear, such as eye protection, when using firearms equipped with this product.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including a screwdriver and any mounting hardware provided.
- Ensure that your Browning XBolt shortaction rifle is unloaded and pointed in a safe direction.

2. Cleaning:

- Clean the mounting area on the rifle to remove any dirt or debris that may interfere with the installation.

3. Positioning the Rail:

- Align the Warne Mountain Tech Tactical Rail with the mounting holes on your rifle.
- Ensure that the rail is level and properly positioned for optimal optics placement.

4. Securing the Rail:

- Insert the mounting screws through the rail into the rifle's mounting holes.
- Tighten the screws securely, but do not overtighten to avoid damaging the rail or the rifle.

5. **Final Check:**

- After installation, doublecheck that the rail is securely mounted and that there are no loose components.

Usage Instructions

- Once the tactical rail is installed, mount your optics according to the manufacturer's instructions for those specific products.
- Regularly inspect the mounted optics and the tactical rail for any signs of wear or loosening.
- Familiarize yourself with the operation of your rifle and optics before heading out for a hunt.

Disposal Instructions

- When disposing of the tactical rail, follow local regulations regarding aluminum recycling.
- Ensure that any packaging materials are disposed of responsibly, in accordance with local waste management guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service. Always keep this guide for future reference.

By following these guidelines, you can ensure safe and effective use of the Browning XBolt Short Action Mountain Tech Tactical Rail. Enjoy your shooting experience, and always prioritize safety.
