# Safety Instructions for SKYLINE SLING SWIVEL ACCESSORY RAIL

## Introduction

Thank you for choosing the Warne Skyline Sling Swivel Accessory Rail. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the accessory rail for any signs of wear or damage before each use.
- Use the product only for its intended purpose as outlined in this manual.
- Keep the product out of reach of children and pets.
- If you notice any defects or issues, discontinue use and contact the manufacturer for assistance.

## Specific Safety Precautions for Use

- Always ensure that the accessory rail is securely attached to the Warne Skyline Precision Bipod before use.
- Do not overload the bipod beyond its specified weight limit, as this may compromise safety.
- When using the sling swivel, ensure that it is properly connected and secure to prevent accidental dislodgement.
- Avoid using the bipod in adverse weather conditions that may affect stability, such as high winds or slippery surfaces.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the bipod and accessory rail.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by ensuring that your Warne Skyline Precision Bipod is clean and free from debris.
- Align the accessory rail with the designated attachment point on the bipod.
- Securely attach the accessory rail using the provided hardware, ensuring that all screws are tightened to the manufacturer's specifications.
- Doublecheck the attachment to confirm that the rail is firmly in place before proceeding.

### 2. Usage:

- To use the sling swivel, connect your sling to the accessory rail as per the manufacturer's instructions.
- Adjust the bipod legs as needed for stability and comfort during use.
- When finished, remove the sling from the rail and store both the sling and bipod in a safe location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If you are unsure of how to dispose of the product, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any safety inquiries or support regarding the Warne Skyline Sling Swivel Accessory Rail, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for prioritizing safety and for choosing the Warne Skyline Sling Swivel Accessory Rail. Enjoy your experience with the product while ensuring compliance with these safety guidelines.
