

MAXIMA GROOVED RECEIVER CZ RINGS - WARNE MFG. COMPANY 30MM MEDIUM (1.015") 19MM DOVETAIL RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail. Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including CZ 527 (16mm dovetail) and CZ 550 (19mm dovetail) Receivers. Available in both Quick Detach (QD) and Fixed models for most CZ firearms.

MAXIMA GROOVED RECEIVER CZ RINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAXIMA Grooved Receiver CZ Rings by Warne Mfg. Company. These scope rings are designed to securely mount scopes on rifles with integrated receiver mounting rails. This guide provides essential safety instructions and installation procedures to ensure safe and effective use of the product.

General Safety Guidelines

- Always read the product manual before use.
- Ensure that the rings are compatible with your specific rifle model.
- Inspect the rings for any damage or defects before installation.
- Follow all installation instructions carefully to avoid accidents.
- Keep the product out of reach of children.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the scope rings.
- Use appropriate tools to install the rings; do not use makeshift tools.
- Avoid overtightening screws, as this can damage the rings and the rifle.
- Regularly check the tightness of the rings after installation, especially after heavy use.
- Do not modify the rings in any way, as this may compromise safety and functionality.
- If you experience any issues with the rings, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure the rifle is on a stable surface and is unloaded.

2. Installation Steps

- Align the rings with the integrated mounting rail on the rifle.
- Place the lower half of the rings onto the rail.
- Carefully position the scope within the rings.
- Place the upper halves of the rings over the scope.
- Securely tighten the screws using a torque wrench, following the manufacturer's recommended torque specifications.
- Confirm that the scope is level and properly aligned before final tightening.

3. PostInstallation Check

- Inspect the installation to ensure that everything is secure.
- Test the scope's adjustments to ensure functionality.
- Make sure there are no obstructions or loose parts.

Disposal Instructions

- Dispose of the packaging materials and any unused parts in accordance with local regulations.
- If the rings are damaged beyond repair, dispose of them responsibly by following local electronic waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer or your local retailer. They will provide you with the necessary assistance.

Thank you for your attention to these safety guidelines. Enjoy using your MAXIMA Grooved Receiver CZ Rings responsibly and safely.
