

# CZ 550 QUICK DETACH SCOPE RINGS - WARNE MFG. COMPANY 30MM MEDIUM (1.015") QD 19MM DOVETAIL RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Fits Tikka BRNO/CZ 527 & BRNO Integral Bases

Since each firearm manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. Because of this, the Warne CZ Rings are able to fit right onto the receiver's dovetail with no need for a mounting base. The CZ Quick Detach Rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place. Return to Zero Guaranteed, quickly detach and reattach the CZ QD rings with no loss of zero. Indexable lever allows placement of the levers in any position desired. CZ specific recoil pin for positive engagement of ring to receiver dovetail. Rings securely mount around scope using 4 Torx style T-15 socket cap screws, 25 in/lb. of torque recommended.

## Attributes

- Name: [WARNE MFG. COMPANY 30MM MEDIUM \(1.015"\) QD 19MM DOVETAIL RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)

# Safety Instruction Guide for CZ 550 Quick Detach Scope Rings

## Introduction

Thank you for choosing the CZ 550 Quick Detach Scope Rings from Warne Mfg. Company. These rings are designed to securely mount your optics on your firearm while allowing for quick detachment and reattachment without losing zero. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle your firearm and accessories responsibly and in accordance with local laws and regulations.
- Ensure that the scope rings are compatible with your firearm's dovetail mount.
- Regularly inspect the scope rings for any signs of wear, damage, or loosening.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues or have questions regarding the product, consult a qualified gunsmith or contact the manufacturer.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope rings.
- Use caution when tightening the Torx screws; overtightening may damage the rings or the firearm.
- Always verify that the rings are securely mounted before use to prevent any accidents during operation.
- Be aware of the positioning of the indexable lever to avoid accidental release of the scope.
- If using the product in adverse weather conditions, ensure that it is properly maintained to prevent corrosion or malfunction.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: Torx T15 socket wrench.

### 2. Installation

- Align the CZ Quick Detach Scope Rings with the dovetail mount on your firearm.
- Position the rings so that the indexable lever is easily accessible.
- Using the Torx T15 socket wrench, tighten the four screws on each ring to a torque of 25 in/lb. Be careful not to overtighten.

### 3. Usage

- To detach the scope, pull out on the indexable lever and turn it to the desired position.
- Let the lever snap back into place to secure the scope.
- To reattach the scope, align it with the dovetail and push down firmly until it clicks into place.
- Always check that the scope is securely mounted and has returned to zero before firing.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible, especially if they are made of metal or plastic.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or potential hazards related to the CZ 550 Quick Detach Scope Rings, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

Thank you for following these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy the reliable performance of your CZ 550 Quick Detach Scope Rings!
