

# 7.3/22 RINGS - WARNE MFG. COMPANY 30MM MEDIUM (0.99") DOVETAIL RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Smooth Profile, Horizontal Split

The strongest small bore scope rings available. Designed to fit a very wide selection of rifles and fit both 3/8" and 11mm dovetails. This is made possible by using a solid steel asymmetrical reversible clamp that can be flipped 180° and used on wider or narrower dovetails for best fit. Features a 70/30 horizontal construction and are only 1/2" wide. Attachment is made to the dovetail using a single T-15 Torx style fastener and have 2 of the same fasteners for the ring top strap holding the entire package together securely.

# Safety Instruction Guide for 7.3/22 RINGS WARNE MFG. COMPANY 30MM MEDIUM DOVETAIL RINGS

## Introduction

Thank you for choosing the 7.3/22 Rings Warne MFG. Company 30mm Medium Dovetail Rings. These rings are designed for optimal performance and safety when mounting your scope. This guide provides essential safety instructions and guidelines to ensure safe usage and installation of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rings for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a safe environment, free from distractions and hazards.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe conditions or product defects to the relevant authorities.

## Specific Safety Precautions for Use

- Always verify that the dovetail rings are securely attached to the rifle before use.
- Do not exceed the recommended weight limit for the scope being mounted.
- Avoid using the rings on incompatible dovetail sizes or types.
- Ensure that the scope is correctly aligned and adjusted before taking any shots.
- Do not modify the rings or attempt repairs without professional assistance.
- Use caution when handling tools, especially when installing or adjusting the rings.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure you have a clean, welllit workspace.

### 2. Installation Steps:

- Identify the appropriate dovetail size (3/8" or 11mm) for your rifle.
- Position the dovetail rings on the dovetail rail, ensuring they are aligned correctly.
- Use the T15 Torx fastener to secure the rings to the dovetail. Tighten until snug, but avoid overtightening.
- Place your scope into the rings and adjust it to your preferred position.
- Secure the top strap of the rings using the additional T15 Torx fasteners. Ensure they are tightened evenly to hold the scope securely in place.

### 3. Usage:

- Always check the tightness of the rings and scope before heading to the shooting range or field.
- Make any necessary adjustments to the scope while ensuring the rings remain secure.
- After usage, store the rifle and scope in a safe location, protected from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product reaches the end of its life, dispose of it responsibly, following local waste management guidelines.
- Do not dispose of the product in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information found in the product packaging or on the official website. It is recommended to reach out for any concerns or questions to ensure safe and proper use of the product.

By following these safety instructions, you can ensure a safe and effective experience with your 7.3/22 Rings Warne MFG. Company 30mm Medium Dovetail Rings. Thank you for prioritizing safety and responsible usage.
