

# MAXIMA FIXED RINGS - 1" LOW (0.750") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

## Attributes

- Name: [1" LOW \(0.750"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947005112
- Mfr. No.: 200M
- Finish: Matte Blue
- Height: .250"
- Scope Tube Diameter: 1"
- Size: Low
- Style: Weaver-Style Rings
- Delivery weight: 0.159kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 145mm
- UPC: 656813000227

# MAXIMA FIXED RINGS 1" LOW (0.750") FIXED RINGS, BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA FIXED RINGS. This guide provides essential safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible scopes and bases with the MAXIMA FIXED RINGS to avoid accidents.
- Ensure that the screws are tightened to the manufacturer's specifications to prevent the scope from loosening during use.
- Regularly check the integrity of the rings and screws, especially after heavy use or recoil.
- Avoid using the rings with scopes that exceed the weight limits specified by the manufacturer.
- If you experience any unusual movement or misalignment of the scope, cease use immediately and inspect the installation.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Gather all necessary tools, including a T15 Torx screwdriver.
- Place the MAXIMA FIXED RINGS on the Weaver style cross slot base.
- Align the rings with the scope tube and ensure they are positioned correctly.
- Insert the T15 Torx screws into the rings and tighten them securely. Ensure a uniform tightening pattern to avoid misalignment.
- Check that the scope is level and aligned before final tightening.

### 2. Usage Instructions:

- Once installed, ensure that the scope is securely mounted before use.
- Handle the firearm with care, following all safety protocols for firearm handling.
- Regularly inspect the rings and screws for any wear or damage after each use.
- Store the firearm and the scope in a safe place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, or return it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAXIMA FIXED RINGS, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
