

# MAXIMA FIXED RINGS - 1" MEDIUM (0.875") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

## Attributes

- Name: [1" MEDIUM \(0.875"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947005122
- Mfr. No.: 201M
- Finish: Matte Blue
- Height: .375"
- Scope Tube Diameter: 1"
- Size: Medium
- Style: Weaver-Style Rings
- Delivery weight: 0.159kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 142mm
- UPC: 656813000234

# MAXIMA FIXED RINGS 1" MEDIUM (0.875") FIXED RINGS, BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA FIXED RINGS. These rings are designed for secure optics mounting and are intended for use with various scope bases. This safety instruction guide provides essential information for the safe use, installation, and disposal of the product, ensuring compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the fixed rings for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to scope misalignment or damage.
- Overtightening screws can cause damage to the scope or rings.
- Using the product with incompatible bases may lead to failure.

### • Instructions for Avoiding Hazards:

- Always use the recommended tools and follow the installation instructions.
- Do not exceed the specified torque settings when tightening screws.
- Ensure compatibility with your scope and base before installation.
- Inspect the rings regularly for any signs of wear or loosening.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Gather the necessary tools: T15 Torx screwdriver and compatible scope.
- Position the MAXIMA FIXED RINGS onto the Weaverstyle base.
- Align the rings with the scope tube, ensuring proper fit.
- Secure the rings using the four T15 Torx screws. Tighten screws evenly to avoid misalignment.

### 2. Usage:

- After installation, check the alignment of the scope through the rings.
- Adjust the scope as necessary for optimal viewing.
- Before using the firearm, conduct a functional check to ensure that the scope remains securely mounted.

### 3. Maintenance:

- Regularly check the tightness of the screws and the condition of the rings.
- Clean the rings with a soft cloth to remove any dirt or debris.
- Do not use harsh chemicals or abrasive materials for cleaning.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal products.
- Do not dispose of the product in household waste.
- Check with local authorities for recycling options or special disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAXIMA FIXED RINGS, please consult the manufacturer's website or contact their customer support for assistance.
