

# MAXIMA FIXED RINGS - 30MM LOW (0.840") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

## Attributes

- Name: [30MM LOW \(0.840"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947005312
- Mfr. No.: 213M
- Finish: Matte Blue
- Height: .250"
- Scope Tube Diameter: 30mm
- Size: Low
- Style: Weaver-Style Rings
- Delivery weight: 0.136kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 145mm
- UPC: 656813000777

# MAXIMA FIXED RINGS 30MM LOW Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA FIXED RINGS 30MM LOW. This product is designed to provide a secure mounting solution for your optics. To ensure your safety and the optimal performance of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the rings for any signs of wear or damage.
- Only use the product with compatible optics and mounting bases.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to equipment failure.
- Using incompatible optics may result in damage to your scope or rings.
- Excessive recoil may affect the integrity of the mounting system.

### • Avoiding Hazards:

- Follow the installation instructions carefully.
- Ensure all screws are tightened to the manufacturer's specifications.
- Use the product only with scopes that fit the specified diameter (30mm).
- Regularly check the rings for tightness and stability after use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Clean the mounting base to remove any debris or oil.
- Align the MAXIMA FIXED RINGS with the Weaver style cross slot base.
- Insert the 4 T15 Torx style socket cap screws into the fixed rings.
- Tighten the screws evenly, alternating between screws to ensure a secure fit.

### 2. Usage:

- After installation, check that the scope is securely mounted and does not move.
- When using the firearm, monitor the stability of the optics and rings, especially after heavy use.
- If you notice any movement or loosening of the rings, stop using the firearm and recheck the installation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MAXIMA FIXED RINGS 30MM LOW, please reach out to the manufacturer's customer support or check the EU's Safety Gate platform for updates on product safety and recalls.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
