

MAXIMA FIXED RINGS - 30MM MEDIUM (0.965") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a “no slip” positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

Attributes

- Name: [30MM MEDIUM \(0.965"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947005322
- Mfr. No.: 214M
- Finish: Matte Blue
- Height: .375"
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Weaver-Style Rings
- Delivery weight: 0.181kg
- Shipping height: 23mm
- Shipping width: 109mm
- Shipping length: 142mm
- UPC: 656813000333

MAXIMA FIXED RINGS 30MM MEDIUM Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMA FIXED RINGS 30MM MEDIUM. These rings are designed to provide a secure and durable mounting solution for your optics. This safety instruction guide is designed to help you understand how to safely use and install this product while ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential risks associated with improper installation or use.
- Regularly check for product recalls or safety updates through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep the product out of reach of children to prevent accidents.

Specific Safety Precautions for Use

- Always inspect the product for any damage before installation.
- Ensure that all screws are tightened to the manufacturer's specifications to avoid loosening during use.
- Use appropriate tools when installing the rings to prevent stripping of screws.
- Avoid overtightening the screws, as this may damage the scope or rings.
- Do not modify or alter the rings in any way, as this may compromise safety and functionality.
- Ensure that the rings are compatible with your scope and mounting base before installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure you have a clean and stable workspace.

2. Installation Steps

- Place the MAXIMA FIXED RINGS onto the Weaver style cross slot base.
- Align the scope tube with the rings.
- Insert and handtighten the T15 Torx screws into each ring. Ensure that the screws are in the correct position.
- Using the T15 Torx screwdriver, tighten the screws in a crisscross pattern to ensure even pressure.
- Check that the scope is level and positioned correctly before final tightening.
- Once the scope is positioned correctly, securely tighten all screws without overtightening.

3. Usage

- After installation, check the stability of the scope by gently shaking it. It should not move or rattle.
- Regularly check the tightness of the screws, especially after heavy use or recoil.
- If you notice any movement or loosening, retighten the screws immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check with local waste management for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the MAXIMA FIXED RINGS 30MM MEDIUM, please refer to the manufacturer's website or contact customer support directly. It is important to have your product information ready when seeking assistance.

By following these safety instructions, you can ensure the safe and effective use of the MAXIMA FIXED RINGS 30MM MEDIUM. Thank you for your attention to safety.
