

MAXIMA FIXED RINGS - 30MM HIGH (1.115") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

Attributes

- Name: [30MM HIGH \(1.115"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947005332
- Mfr. No.: 215M
- Finish: Matte Blue
- Height: .525"
- Scope Tube Diameter: 30mm
- Size: High
- Style: Weaver-Style Rings
- Delivery weight: 0.181kg
- Shipping height: 25mm
- Shipping width: 109mm
- Shipping length: 145mm
- UPC: 656813000340

MAXIMA FIXED RINGS 30MM HIGH Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMA FIXED RINGS 30MM HIGH. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your fixed rings. Please read this guide thoroughly before using the product to ensure optimal performance and safety.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a scope mount.
- Always inspect the rings before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions carefully to avoid accidents or injuries.
- In case of any malfunction or safety concern, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that your firearm is unloaded before installing the scope rings.
 - Use appropriate tools, specifically T15 Torx style socket cap screws, to avoid damaging the screws or rings.
- **Usage Safety:**
 - Confirm that the scope is securely mounted before use to prevent any accidents during operation.
 - Regularly check the tightness of the screws to ensure the rings remain secure during use.
- **Environmental Safety:**
 - Avoid exposing the rings to extreme temperatures or harsh chemicals that could compromise their integrity.
 - Store the rings in a dry, cool place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a T15 Torx screwdriver.
- Ensure the firearm is in a safe condition and unloaded.

2. Installation Steps:

- Place the MAXIMA FIXED RINGS onto the Weaver style cross slot base.
- Align the rings with the scope tube. Ensure they are positioned correctly for optimal alignment and performance.
- Insert the T15 Torx screws into the designated holes in the fixed rings.
- Tighten the screws evenly, alternating between screws to maintain an even pressure. Do not overtighten to avoid damaging the rings.

3. Scope Alignment:

- Once the rings are installed, carefully place the scope into the rings.
- Adjust the scope for proper eye relief and alignment.
- Secure the scope by tightening the ring screws, ensuring that the scope is held firmly in place.

4. Final Checks:

- Doublecheck all screws for tightness.
- Perform a visual inspection to ensure everything is secure and properly aligned.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- If the rings are damaged or no longer usable, do not throw them in regular trash. Instead, take them to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the MAXIMA FIXED RINGS 30MM HIGH, please refer to the manufacturer's website or contact your retailer for assistance. Always ensure you have access to the latest safety updates and product information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MAXIMA FIXED RINGS 30MM HIGH!
