

WINDAGE ADJUSTABLE SURE-GRIP RINGS - RINGS, X-HIGH, 1", MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Completely Adjustable High-Strength Clamping Power

High-quality, windage adjustable rings feature steel caps with two hardened screws per side allow super strong clamping power and positive grip on your scopes. Both front and rear rings come with two fully adjustable base clamps that mount securely to Weaver-style rails with a unique, one-piece lug milled into the base of each ring. Clamps can be tightened or loosened for both front and rear alignment so you can line your scope up perfectly with the end of the barrel leaving the windage adjustment in your scope for precise sighting-in.

Attributes

- Name: [RINGS, X-HIGH, 1", MATTE](#)

Safety Instruction Guide for WINDAGE ADJUSTABLE SUREGRIP RINGS, XHIGH, 1", MATTE

Introduction

Thank you for choosing the WINDAGE ADJUSTABLE SUREGRIP RINGS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the maximum load capacity of the rings.
- Ensure that the rings are securely tightened before use to prevent slippage or misalignment.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Regularly check the alignment of the scope after installation to maintain accuracy.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the included Allen wrench.
- Ensure that the mounting surface is clean and free from debris.

2. Installation

- Position the rings on the scope tube and align them with the desired mounting location on the Weaverstyle rail.
- Use the two fully adjustable base clamps to secure the rings to the rail. Tighten the clamps evenly on both sides to ensure a secure fit.
- Adjust the windage using the provided screws to align the scope with the end of the barrel.

3. Usage

- After installation, check the alignment of the scope to ensure it is level and properly oriented.
- Make any necessary adjustments to the windage settings for precise sighting in.
- Regularly check the tightness of the screws and clamps to maintain optimal performance.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs in your area that accept metal and plastic components.

Contact Information for Further Support

For any inquiries regarding the safety and use of the WINDAGE ADJUSTABLE SUREGRIP RINGS, please refer to the manufacturer's contact information, which can be found on the product packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your experience with the WINDAGE ADJUSTABLE SUREGRIP RINGS!
