# TRAKLOCK® II GHOST RING SIGHT SET Safety Instruction Guide

## Introduction

Thank you for choosing the TRAKLOCK® II GHOST RING SIGHT SET. This product is designed for highspeed sight acquisition and improved accuracy, making it the top choice for law enforcement worldwide. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the sight set is compatible with your firearm model (Remington 870, 1100, and 1187).
- Always handle firearms and accessories with care and adhere to all safety protocols.
- Keep the sight set out of reach of children and vulnerable individuals.
- Regularly check the sight for any signs of wear or damage.
- Report any unsafe conditions or accidents to relevant authorities.
- Stay informed about product recalls and safety alerts via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Ensure the firearm is unloaded before installation of the sight set.
- **Adjustment:** Adjust elevation and windage settings only when the firearm is pointed in a safe direction.
- **Low Light Use:** The tritium insert is designed for low light conditions. Ensure proper visibility before use.
- **Maintenance:** Regularly inspect the sight set for loose components or damage. Tighten screws as necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a hex head screwdriver.

### 2. Installation:

- Remove the existing sight from your firearm using the appropriate tool.
- Align the TRAKLOCK® II GHOST RING SIGHT SET with the mounting point.
- Secure the sight set in place using the hex head screw provided.
- Ensure the sight is firmly attached and does not move.

### 3. Adjustment:

- Use the hex head screw to adjust the elevation and windage settings as needed.
- Make small adjustments and test the sighting to ensure accuracy.

### 4. Usage:

- Familiarize yourself with the sight set before use.
- Practice in a controlled environment to gain confidence in sight acquisition.

## **Disposal Instructions**

- Dispose of the sight set responsibly. Follow local regulations for the disposal of firearm accessories.
- If the sight set is damaged or no longer usable, contact local waste management services for guidance on safe disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRAKLOCK® II GHOST RING SIGHT SET, please refer to the manufacturer's contact details included in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective experience with your TRAKLOCK® II GHOST RING SIGHT SET. Thank you for your attention to safety.
