# Safety Instruction Guide for 1911 MATCH BARREL & BUSHING SET

## Introduction

Thank you for choosing the 1911 MATCH BARREL & BUSHING SET. This product is designed to enhance the accuracy and performance of your firearm. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and components securely and out of reach of children.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Be aware of your surroundings and ensure a clear shooting area.
- Do not use the product if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the barrel and bushing are properly fitted before use to prevent malfunctions.
- Perform a thorough inspection of the barrel and bushing before installation.
- Use only .45 ACP ammunition that is compatible with your firearm.
- Avoid using reloaded ammunition unless it has been tested and approved for use in your firearm.
- Do not exceed the recommended barrel weight specifications.
- Be cautious of hot surfaces after firing; the barrel may become extremely hot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Clean the firearm to remove any debris or residue.

### 2. Installation of the Barrel:

- Carefully insert the barrel into the slide of the 1911 Auto.
- Ensure that the barrel is properly aligned and seated.
- Use a gunsmith to perform any necessary fitting to achieve a precise lockup.

### 3. Installation of the Bushing:

- Insert the matching stainless steel bushing into the slide.
- Ensure that it is seated correctly and rotates smoothly.
- If adjustments are needed, consult a qualified gunsmith.

### 4. Final Fitting:

- The chamber requires finish reaming; this should be performed by a qualified gunsmith.
- After fitting, check for proper function by cycling the action without ammunition.

### 5. Usage:

- Load the firearm with .45 ACP ammunition.
- Follow standard operating procedures for firing the firearm.
- Regularly inspect the barrel and bushing for wear or damage during use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the barrel or bushing in regular trash; consult local waste management for proper disposal methods.
- Ensure that any disposed firearm components are rendered unusable to prevent accidental misuse.

## **Contact Information for Further Support**

For any inquiries regarding product safety or performance, please reach out to the manufacturer or authorized dealers. They can provide guidance and support for safe usage and maintenance of your 1911 MATCH BARREL & BUSHING SET.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your 1911 MATCH BARREL & BUSHING SET. Always prioritize safety and seek professional assistance when necessary. Thank you for your commitment to responsible firearm ownership.
