Safety Instruction Guide for 1911 MATCH BARREL & BUSHING SET

Introduction

Thank you for choosing the 1911 MATCH BARREL & BUSHING SET. This product is designed to enhance the accuracy of your firearm. However, it is essential to follow safety guidelines to ensure safe usage and compliance with EU regulations. This guide provides important safety information, installation instructions, and disposal guidelines.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store the barrel and bushing in a secure location, away from children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Ensure that you are familiar with local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your firearm for any signs of wear or damage before use.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the barrel and bushing are compatible with your firearm model (1911 Government).
- The barrel and bushing are designed for use with .45 ACP cartridges only. Do not use any other caliber.
- The chamber requires finish reaming; this should be performed by a qualified gunsmith to avoid safety hazards.
- The barrel and bushing are slightly oversized at lockup areas; proper fitting is crucial for safe operation. Do not attempt to modify these components without proper expertise.
- Do not exceed recommended barrel weight specifications. This product weighs .25 lbs.
- Always follow the manufacturer's instructions for installation and fitting.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools and safety equipment.

2. Installation:

- Remove the existing barrel and bushing from your 1911 Government model.
- Inspect the new barrel and bushing for any visible damage before installation.
- Install the barrel into the slide, ensuring it is seated properly.
- Install the bushing, ensuring it matches the barrel and is properly aligned.
- Use a qualified gunsmith to perform finish reaming and fitting to ensure safety and accuracy.

3. Usage:

- After installation, conduct a thorough inspection of the firearm.
- Test the firearm in a controlled environment, ensuring all components function correctly.
- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the barrel or bushing becomes damaged or unusable, consult a qualified gunsmith for proper disposal methods.
- Do not dispose of firearms or firearm components in regular trash. Follow local laws for disposal of firearmrelated items.

Contact Information for Further Support

For any inquiries or further support regarding the 1911 MATCH BARREL & BUSHING SET, please consult the manufacturer's website or contact their support team. Always ensure you are using the product in accordance with EU regulations and safety standards.

Thank you for prioritizing safety and compliance while enjoying your firearm.
